In Memory Of

Richard “Dick” Hodgdon Jr.

June 20, 1929 – December 27, 2019

Other than his time away during military service, Richard “Dick” Hodgdon Jr. had spent his entire life in Boothbay. He dedicated a lifetime to service and industry in the region.

Dick was born in Boothbay, June 20, 1929. He graduated from Boothbay Harbor High School in 1947. He served in the US Navy from 1947 to 1950. Then he served 10 years in the US Air Force. Upon leaving the Air Force he went into the seafood business at Mill Cove Lobster Pound in Trevett. He then went on to Sample’s Shipyard in Boothbay Harbor.

Dick had a combined 20 years of service to the Town of Boothbay: 9 years as Selectman, 6 years on the Board of Trustees for the local School District and 5 years on the Board of Assessors. He was also very active in the Boothbay Civic Association, serving times as President and Vice President of the organization. He negotiated the deal for the property where the town office now stands. Dick was also a 65-year member of the Masons, Bayview Lodge #196, East Boothbay and the Kora Temple Shrine, as well as a 50-year-plus member and Past Patron of the

Order of the Eastern Star, Crescent Chapter #54, East Boothbay.

His entrepreneurial spirit and generosity has done much to shape this great town.

In Memory Of

John “Jack” Barry

09/29/1949 – 02/03/2020

John “Jack” Barry was a true “Jack-of-all-trades,” encompassing his family, friends and community. Jack was a third-generation firefighter, the Assistant Fire Chief of Boothbay and worked part-time for the Boothbay Water Department for over 20 years. Jack enjoyed being a part of the Fire Department and serving his local community for over 40 years.

Chief Spofford stated, “Jack was not only the Assistant Fire Chief, he was family. He was the most dedicated, kind, humble, soft spoken man around. We talked almost every day, if it wasn’t about our families it was about burning permits he had given out and other fire department business. He was a great mentor to all members of our fire department. We all have felt the loss deeply and we will miss him very much!”

“To do more for the world than the world does for you, that is success.” Henry Ford

Jack was a successful man. He was loved by all and will forever be in our hearts.

Thank You!

Lynn Maloney

We would like to take this opportunity to thank Lynn Maloney for all the hard work she did for the Town of Boothbay as Town Clerk for the last three years.

Lynn started her career as Town Clerk for the Town of Newcastle. She was there for 24 years, following in her Mother, Carol (Greenleaf) Pottle's footsteps. A rare second-generation Town Clerk. She also worked as Town Administrator as well.

Lynn started at the Town of Boothbay on July 1, 2016 and she retired on January 3, 2020.

Thank you for everything you did for the Town of Boothbay. We hope you enjoy your retirement and lots of quality time with your family.

David and Betsy Pratt

Thank you for your years of service and dedication as Animal Control Officers for the Town of Boothbay. Whether it be a cat in a tree or a skunk in the house you were both always available 24 hours a day and never complained. Your love of animals was always obvious to all of us.

Betsy rescued more animals than we could count I'm sure. Many times her house would be full of cages of baby squirrels and raccoons abandoned by their mothers. David would help her feed them by bottle every few hours and nurse them back to health to be released into the wild.

Though you are no longer the Animal Control Officers for us we know that you will continue to do all you can for all the animals in the region.

Town Manager

Daniel G. Bryer

The municipality has a lot of hard work to be done in regard to some of the long-range projects identified in recent years. A great deal of discussion has gone into the economic development of the region, our local schools, affordable housing, and broadband. This will continue to be a goal for the town and the region moving forward, and will entail more planning as well as execution moving forward. I believe that this is a time of great opportunity for not only Boothbay but the peninsula as well.

As always it is my belief that the town is extremely well served by the municipal staff, from the business office, to the public works department, and the fire department. These hard-working individuals have been a very dedicated and responsible team meeting the municipal needs of the townsfolk. I would like to welcome our newest addition to the business office, Sally Carroll. Sally is naturally friendly and an extremely quick study picking up on the nuances of state software and paperwork.

Thanks to the Select, Planning, and Appeals Boards, and the Port Committee, and all other volunteers that allow steady local governance.

Daniel Bryer

Business Office Report

The Town Clerk is in charge of maintaining the town's vital records. The office of the clerk runs all State and municipal elections. We license dogs, issue birth and death certificates, and marriage licenses. The business office also collects all tax payments, mooring and permit fees and registers vehicles.

Certified copies of Vitals (births, deaths, marriages) must be applied for with proof of ID. Applications can be found on our website www.townofboothbay.org. Please allow a 24-hour turnaround. Fees are \$15.00 for the first one and \$6.00 for each additional one done at the same time.

There were **14 births** recorded in Boothbay for 2019; 8 females and 6 males born to Boothbay residents. Congratulations to all the families with new babies.

There were **27 deaths** recorded for 2019. There were 12 females and 15 males. The youngest was 53, and the oldest was 93 years old.

We issued **36 marriage licenses** during 2019. There were 9 Boothbay residents, and 27 non-residents. People came from Georgia, Maine, Massachusetts, Illinois and Texas to get married in our beautiful town.

To apply for a marriage license you will need to make an appointment for both of you to come in to our office together with picture identifications. Allow an hour for the process. If married before, you must show original divorce papers or a spousal death certificate. You will complete a marriage intentions form, and sign it in the presence of the clerk or deputy. The fee is \$40.00.

Boothbay residents licensed a total of **375 dogs** during calendar year 2019. Dog license fees remain at \$11 per dog, or \$6 for spayed/neutered dogs. When licensing at our office, please bring in a current rabies certificate. A spaying or neutering certificate will be required if it is a first time license. If you would prefer to do it online, please see the website below. For any animal control issues you need to contact Lincoln County Communications.

During Since June 2019 we have issued a total of **18 commercial shellfish licenses**, and **40 recreational licenses**. Our shellfish warden is Nicholas Upham. The Town of Boothbay Harbor is the host town for the Shellfish Ordinance

once again.

For **vehicle renewals**, please bring your old registration, current accurate mileage and proof of insurance. If you would prefer to do it online, please see the website below. **First time registrations** require additional paperwork and cannot be done after 4:00 pm or online. All vehicles 1995 or newer require a title.

For **tax payments**, please bring in the stub from your tax bill. Tax bills go out in July, with the first ½ due in August and the second ½ due in February. We *do not* send a second notice.

For MOSES transactions, please bring in last year's registration or the "ME" number from your **boat, ATV or snowmobile** or last year's license or MOSES number for **Hunting or Fishing licenses**.

Online services you may access are:

www.maine.gov/online/bmv/rapid-renewal to renew a vehicle or trailer or to request a reminder notice.

www.maine.gov/online/sporting for hunting/fishing licenses and boat, snowmobile & ATV re-registrations.

www.maine.gov/online/dog_license to register your dog.

During 2019 we had the following **meetings and elections**:

May 6, 2019	Annual Town Meeting
November 5, 2019	State Referendum Election

I want to thank all of our residents and my amazing co-workers for being so supportive and patient as I take on my new role as Town Clerk.

Code Enforcement had another busy year in 2019 coordinating with the residents of Boothbay for permit assistance, zoning inquiries, Planning and Appeals Board meetings, as well as concerns regarding the ordinance and the environment. In all instances the departments goals are to assist the public to the greatest extent possible. We like to maintain an open door policy for anyone interested in the Town Ordinance and encourage questions and comments.

Although the following building permit summary is similar to last year, our office has seen a marked increase in new demolitions and shoreland vegetation permits. Interior plumbing permits and new and renovated septic systems are on the increase.

Public Works

Samuel Barter, Road Foreman Michael S. Alley, David Brewer, Roman Petersen and Anthony (Tony) Goode.

Spring 2019 started the usual way, repairing floats and picnic tables between late season snow storms. Once that was completed we were able to do the roadside sweeping and sand removal. With the late season snow also came heavy rain, washing out shoulders and overwhelming some ditches and culverts. Repairing those areas throughout town along with the repairs needed on our gravel roads took us through to paving season. The first project was a long overdue redo of the Park and Ride at the Boothbay Fire Station, with drainage, upgrades, pavement reclaiming, grading, all new pavement and striping to finish it off. Thank you to Sue Mello at the Boothbay Region Water District for working with us to ensure our drainage met their standards for protecting the local water supply. We were also able to replace all culverts, redo the ditches and pave one and a half miles of King Phillips and Samoset Trails. This project took us far enough into the fall that after a couple of roadside cutting projects and some patching it was time to put up winter sand and put plows on. The winter of 2019/2020 didn't end up giving us a lot of trouble and we are starting the cycle over as I write this.

As always I would like to thank the town's people, the Selectmen and the Town Manager for their continued support throughout the year. I would also like to thank my crew for all of their hard work and dedication. Sam, David, Tony and Roman, thank you.

Sincerely and Respectfully,
Mike Alley

Sewer District Report

I am pleased to offer this report on behalf of the Boothbay Harbor Sewer District. As always, let me begin by saying thank you to the citizens of the Boothbay Region, who have generously given of their resources to ensure that your District remains among the finest in Maine. The District certainly benefits from a strong user base, but beyond that, we benefit from a strong citizenry. From dedicated employees who live in the region, to cooperative municipal departments, and most helpful contractors; our customers and visitors are provided opportunities to live in and enjoy one of Maine's most scenic regions, and we thank you for your continued commitment to the District.

This year saw the addition of Riley Mitchell as a new employee. Riley filled the vacant collection position and will be learning to operate the plant as well. Riley now brings the District to a full and cross-trained staff.

The District continues to plan improvements in your treatment and collection systems. As in the past, the next several years will continue to be busy. The Trustees are into their fifth year of their capital improvement plan. The planned improvements will include planning/funding for pipe re-lining on the west side of Town, inflow and infiltration reduction, manhole rehabilitation, treatment plant systems upgrades, and two pump station upgrades. This year's major improvements to your system and other accomplishments included the following:

- Completion of the Odor Mitigation Study for the treatment plant,
- Procuring an Odor Scrubber for the Centrifuge area (Phase 1 of 4),
- Commencement of the Replacement and Extension of the Route 96 Sewer Line,
- Planning for the Replacement of the Plant Influent Pumps and Aeration Blowers,
- Secured a grant from Efficiency Maine and replaced all the plant and office lighting,
- The District Charter was amended to incorporate all the provisions of the Sewer District Enabling Act.

The District Trustees continue to lead the District through their strong work ethic, strong leadership style, and fiscal responsibility. Because of this leadership, the financial position of the District is strong. The District was able to secure over \$300,000 in grant funds toward projects. Credit is given to the careful management of spending along with consistent and fair implementation of the District's sewer use fees.

I would like to take a moment to express my appreciation and thanks to the entire District Staff for their friendliness and professionalism as they perform their work. These folks work very hard on your behalf, and their efforts do not go unnoticed. What a great Team! And finally, I sincerely thank you, the citizens of the District, for the confidence you have placed in all of us as your Boothbay Harbor District. It is an obligation that each one of us takes very seriously.

Respectfully Submitted,
Chris Higgins, Superintendent

Lincoln County Sheriff

Greetings,

As I begin my 18th year as your County Sheriff, I feel it is important for you to know just how hard the men and women of the Sheriff's Office are working for you. Countywide we responded to almost 16,500 calls for service, over 3,000 of these calls were in Boothbay alone. Many of the calls in Boothbay that required our immediate response involved investigations of motor vehicle crashes, burglar type alarms, and 911 calls that were abandoned prior to determining their intent. When possible, Lincoln County Deputies attempt to reduce crime by using discretionary time to perform property checks on commercial or public buildings, as well as private property upon request. This increased visibility has shown to deter crime and improve response times to emergency calls for service. In 2019, Lincoln County Deputies performed almost 1,800 of these type of checks in your town.

As a new decade begins, our agency is taking steps to "keep up with the times." We will place in service our first ever hybrid vehicle within the Patrol Division. We have plans to study the impact this vehicle has to both the environment and our budget with plans to purchase more if it is determined this makes sense for the citizens of Lincoln County and our budget. Additionally, we also have plans to collaborate with our County EMA and establish a small unmanned aircraft system (sUAS) program. Most commonly referred to as "drones." This program is expected to be used for many different types of purposes such as search and rescue, crash investigations, and shellfish enforcement. This partnership with our County EMA Office will assure that a sUAS is always available for whatever need countywide.

The Sheriff's Office also has plans to collaborate with the Lincoln County Communication Center on a program called RUOK (Are You OK). This program will allow seniors and others who may be homebound to be contacted by phone on a regular basis to verify their well-being and give them a sense of security. If you or someone you know is interested in participating in this program, please reach out to any member of the Sheriff's Office or call my administrative office at 882-6576.

Once again, thank you for the opportunity to serve as your Sheriff. Please reach out to me at any time if I can be of assistance to you.

Respectfully Submitted,
Sheriff Todd B. Brackett

Boothbay Fire Department

To the Board of Selectmen, Town Manager, and Citizens of the Town of Boothbay. I hereby submit the 2019 Boothbay Fire Department annual report for January 1, 2019 through December 31, 2019. The Fire Department responded to 192 calls this year which are summarized on the following page.

We received two grants this year. One was from the Mildred McEvoy Foundation for a Forestry Pump. The second was from Maine Municipal Association for Traffic Control Signage. Colby & Gale generously donated over \$10,000 from an Oil Raffle which we will use to upgrade our extrication tools.

We put our new Utility truck into service which is a very useful truck for the department. Our old Brush truck was donated to the Woodchucks.

It was a sad time for the department with the passing of Assistant Chief Jack Barry. We will miss his knowledge, dedication and his smile around the firehouse.

I would like to thank the Officers and Firemen for all their hard work and dedication to the department. Also, I would like to thank the Boothbay Region Miss Fires.

Sincerely,
Richard Spofford
Boothbay Fire Chief

It is very hard to know where to begin with this report. As I write this a lot has changed in the last month. Covid-19 has changed our lives forever as the virus spreads around the world. The Town Office is closed for the most part and meetings are done online. Hopefully this pandemic will pass before summer and we can go back to enjoying this beautiful area.

The online Mooring Data Base continues to be a great asset for the Town. This year it may be more important than ever to register on line. The system has been updated by the provider and it is even more user-friendly. We are now in the seventh year with the On-Line system and it only gets better. I would like to thank all the mooring owners who paid online. When paying your mooring fees, please update your inspection information and email. Remember: mooring fees are due AUGUST 15th every year. If you have email I will send a reminder but either way it is the mooring owner's responsibility. The date doesn't change. No exceptions.

The identification of work floats and their owners will continue to be a major focal point in 2020. If you have a work float please make sure you have the required Army Corps of Engineers permit and that your mooring number is on your float and mooring. Please reduce the risk to other boaters by maintaining your work floats. Make sure the floats are secured properly. Old gear that is no longer serviceable should be disposed of properly not left to be washed off the work float in a storm.

Phone calls and e-mails were typical in nature. Skiffs, dinghies and kayaks missing or adrift top the list. I have stickers at the Town Office for identifying your small craft from the Coast Guard Auxiliary. They have room for your name and contact information. Please come by and pick one up. Several calls were received about vessels tying up too long to the docks at Shipbuilder's Park and Knickerbocker Bridge Launch Area or gear left for over forty-eight hours. Owners were contacted. I also conducted several wharf and weir hearings for the town.

There are currently 858 registered moorings in the Town of Boothbay:

Location	Total
Barter's Island	121
Sawyer's and Hodgdon Islands	85
Card Cove, Grimes Cove-Ocean Point	72
Cross River and Rocky Point	41
Damariscotta River	190
Linekin Bay	249
Little River	85
Outer Islands	15

The Port Committee meets on the first Thursday of the month as needed at the Town Office. I would like to thank Chuck Fuller, Larry Knapp, Win Russell, Rusty Court and Barry Gibson for always being available. No meetings in 2019 but I am planning some for fall of 2020 if we can resume meetings.

The Town of Boothbay has two Deputy Harbor Masters. The west is covered by Bradley Simmons: Linekin Bay, Ocean Point, Grimes Cove, Little River, Damariscotta River and the Outer Islands. The east is covered by Michael Leighton: Barter's Island, Cross River, Rocky Point, Sawyer's Island and Hodgdon Island. I would like to thank-you both for all your time and efforts.

Respectfully Submitted,

Boothbay Region Ambulance Service (BRAS)

Greetings to the residents of the Town of Boothbay- please accept this report of operations for our service to your community. We take our role in service to Boothbay seriously and it is our honor to continue to serve you. B.R.A.S. is licensed at the Basic EMT level and permitted to provide Paramedic level care, community paramedicine and paramedic interfacility transfers. While providing emergency medical service is not unique, the needs of the communities we serve are diverse and, at times, pose challenges. Our call volume is diverse- we respond to the unique needs of a aging population while at the same time serving our younger population experiencing substance abuse disorder, and everything in between. We train to respond to our island communities, perform water rescue jointly with the US Coast Guard and join with you to serve the swell of seasonal visitors.

Our service is staffed with two crews around the clock and transport to the local emergency departments. We assist St. Andrew's Urgent Care and the Boothbay Region Health Center by responding to those facilities while their staff assess and, in some cases, start treatment. In between emergency calls we provide interfacility transfers. A breakdown of 2019 is as follows:

Total responses: 1,461

Boothbay: 389

Average Response time: 8:56

Destination- Miles ED: 547

Destination Mid-Coast ED: 259

Looking ahead to 2020 we will begin the planning phase of replacing one of our older ambulances in accordance with our replacement and useful life schedule. Our vehicles are well-maintained - however the unique nature of their use and the complex electrical systems limit the useful life of each ambulance to about 7 years or 125,000 miles. We are also pleased to place into service our fully-functional simulation lab. To our knowledge we are the only ambulance service in Maine who has this capability. We are grateful to the community for their generosity to provide this. We are also welcoming this center to our neighboring services so that we can collaborate and learn together. Finally, we continue to provide community paramedicine services to those who need additional medical assessment. We intend for this service to keep our residents safe and at home!

On behalf of the Board of Directors and the Service we extend a sincere THANK YOU for your generosity and support of our service. We strive to better ourselves at each opportunity and provide the Boothbay Region with the best care possible.

Rob Ham, President
Board of Directors

Boothbay Harbor Memorial Library

2019 was so busy and fun. In the circulation department, **we lent out 30,642 items (up 5% from last year); digital checkouts increased 7% to 5,006 items; discount museum pass use almost doubled: passes were used 219 times in 2019.** The Orion StarBlast telescope and GoPro cameras were borrowed 9 and 8 times respectively. Volunteers delivered 278 books to our homebound patrons.

On the tech side, in June we upgraded the library's firewall, and in September **increased our upload/downloads speeds to 200mbps.**

Also in September, the Maine State Library launched the **Statewide Reciprocal Borrowing Pilot, and BHML signed on for the one-year pilot.** During the pilot, anyone with a valid card from a participating library can visit other participating libraries and check out materials in person (walk-in borrowing).

In June, the BRES **third graders visited and got library cards. In November, sophomore students came to the library** for expert research tips and support finding sources for local history topics. The success of the afterschool Minecraft Club inspired **two new afterschool clubs:** LEGO Club for 1st and 2nd graders and Coding Club for 5th and 6th graders. In October, for the launch of the LEGO club and the re-start of Minecraft Club, the school bus dropped off 40 students for the clubs' kickoff!

Again during the summer, BHML hosted volunteer Jane Watkins **to guide rising seniors through the college Common Application.** This year we added **SAT prep** with Assistant Director Desiree Scorcia.

All in all in 2019, BHML offered **317 free public programs that were enjoyed by 4,980 people.** 257 of these programs were for children, and 60 programs were geared towards adults. February – June we again hosted the Maine Humanities Council "Let's Talk about It" book club.

In April, we hosted the **3rd Annual Earth Day Fest;** in June we kicked off summer reading at **Windjammers for Wee Mateys,** and in July we put on the **16th Annual Books in Boothbay,** co-hosted by the Railway Village; and a free children's jazz concert at the Shipyard in Boothbay Harbor, co-hosted by the Boothbay Sea & Science Center. Summer reading wrapped up in August, and **101 children participated in BHML's summer reading program.**

The 2019 Halloween Parade threw us all for a loop! Due to predicted storm conditions the parade was brought indoors. With less than 24 hours' notice, we got the message out that the parade was on—at the Boothbay Harbor firehouse. Over 25 businesses and community members passed out candy; and BHML library trustees served warm apple cider to folks waiting in line to trick-or-treat – teaching us that this indoor Plan B did not keep everyone out of the rain!

Once again, thanks to the generosity of the donations made to the Friends of the Library Used Bookstore, BHML was able to give out **a wrapped book to every child** that came to the library during Santa's visit to the harbor.

Boothbay Harbor Region Chamber of Commerce

The BHRCC is currently served by the Board of Directors: Doug Goldhirsch, President; Jaymes Shives, Vice President; Roger Ferrell, Secretary; Ramsey Lafayette, Treasurer; Joanna Breen, Personnel, Ben Rankins, Bob Drury, Nick Ullo, Evelyn Andrews, Charles Bamberg, Alyssa Allen, Troy Sawyer and Jason Denby. John Nunan is serving as Marketing & Communications Director, Jennifer Fields is currently our Bookkeeper, Joshua Pearce is our Database Specialist and Shannon Schmelzer is currently serving as Membership Coordinator.

The Advisory Board for BHRCC members includes Arthur J. Lamothe, Scott Larson, Bill Royall, Kris Ward, Dick Reid, Vincenzo Garganese, Lisa Walby, Dorothy Ferrell, Audrey Miller, Ted Perkins, Laura Honey, Alan Hinsey, and Jerry Lieberman.

In 2019 the BHRCC started to restructure itself to better suit the needs of our community in the growing 21st century. In 2019 we distributed 95,000 Region Guides and Maps to all the AAA offices throughout New England as well as Chambers of Commerce statewide, the Maine Tourism Association, Maine Turnpike Visitor's Center, the Portland Jetport and Portland Visitor's Center. In the coming few years, we aim to be able to bring this information to visitors in more digital formats as well. We provided reduced cooperative advertising opportunities in Maine Invites You. Our website visitation was 600,000 annual views. Our weekly newsletter, "Chamber Connections" shares information within our membership and our monthly newsletter goes out to over 7,000 visitors.

Locally: The chamber works with the Board of Selectmen and town managers from each of the towns in our region on initiatives that promote economic development including public restrooms, water, parking, health care and other issues including becoming a "Certified Business Friendly" region. Regionally: The chamber is working with Mobilize Midcoast Maine which is a local leadership driven initiative that maps regional assets and industry cluster value chains which will become the foundation for a statewide Community and Economic Development Strategy. The chamber is also a member of Midcoast Chamber Council (MC3) which promotes the region with an information hotline, SeeLife! MidCoast Guide, a website, Facebook page, Bi-weekly blogs, tweets, print ads, posters, information kiosks and displays.

Statewide: The chamber works with the Maine Sports Commission whose primary goal is to strengthen efforts to attract national and regional sporting events. The chamber also works with the Governor's office, the Maine Office of Tourism, CruiseMaine and other entities to promote the region.

In 2020 in line with the restructuring started in the previous year, the BHRCC held an open house where we rededicated ourselves to the community. At the open house we announced several changes intended to increase the overall value our members get out of their memberships. All members get 1 free E-Blast to 10,000 visitors, all restaurants and accommodation will be on our regional chart, free marketing & design consultation and enhanced website listings. In addition to that we will be looking to restructure our pricing model for 2021 to be more considerate of all the businesses.

Thank you to all the businesses, organizations, teachers, individuals and Town officials whose continued support of the Boothbay Harbor Region Chamber of Commerce help make this region strong.

First and foremost, I would like to take this opportunity to remember two men who supported me when I became the EMA director.

Former Boothbay Harbor fire chief Glen Townsend and Boothbay Assistant chief Jack Barry, gentlemen your knowledge, support, and most of all friendship was and is greatly appreciated and shall never be forgotten.

This will be my last post as EMA director as I will be stepping down as of June 1st.

It has been an interesting and rewarding ride, but I feel it is time to let someone else step up to the plate.

It has been an honor and a privilege to serve the people and visitors of the region.

This past year the county EMA directors have been working with CMP to address the issues we have had in the past during power outages.

One of the ideas coming out of the meetings was to have a representative from CMP in the county Emergency

Operations Center (EOC) to access the information as it comes in and disperse the crews as necessary.

Please remember that the crews are working as fast as they possibly can and can't be everywhere, prepare for outages and always check on your neighbors.

Be Safe, Use Common Sense,
Clarence Campbell

Boothbay Region Historical Society

During 2019, our 52nd year, we enjoyed the support of both Boothbay and Boothbay Harbor voters. The funds voted by townspeople helped us to fulfill our purpose of preserving and increasing knowledge about our region's past.

We held regular year-round hours at the museum in Boothbay Harbor on Thursdays through Saturdays, 10 a.m. to 2 p.m. Over 1,000 people came to the museum, about two-thirds of them to buy books and photos or in search of specific information about families, houses, businesses, vessels, and other historical matters. The balance browsed through the six rooms of local artifacts. We sent out two newsletters and monthly e-updates. We had four speakers and held four open house events. We had a bake sale and a silent auction in addition to our fall cheese sale held at the Boothbay Railway Village and a cheese and bake sale in our front yard. In December we opened our World War I uniform exhibit and our community uniforms from the mid-1900s.

We provided news items and articles on local history to the townspeople and others through the *Boothbay Register*. We are an active research facility, assisting people locally in their search for information on family, houses, vessels, and places. We also carry on correspondence with people all over the country and abroad who have an interest in Boothbay region history, and when asked we help the town offices with research.

We have many active volunteers who donated more than 2,000 hours of work this year. Some projects done by volunteers were: preparing exhibits, organizing public events, computer data entry, checking the order of photos and documents, manning the building, making repairs, helping with property clean up, helping with mailings, and documenting new collections and artifacts. Our building has undergone much needed repairs to the roof and front windows and inside walls.

The sources of our income this year were: donations by individuals and the towns; one grant; membership dues; and sales of books, maps, papers, and photographs.

Our holdings of artifacts, collections, and documents increased by three linear feet of documents, 15 books, approximately 150 photographs or images, and more than 28 artifacts. Among the donations were an Indian Pack Basket made by the Rancos from Alfred Pinldiarn Sr and given to his son; the Fisherman's Festival trophy listing winners from 1978-1998; and a child's shoe found in the wall of the Hodgdon house on Hodgdon Island.

We thank the townspeople for their willingness to contribute to the preservation of local history.

Boothbay Region Refuse Disposal District

2019 brought several challenges to the Refuse District. The recycling market crashed, causing very little revenue from our recycled products. What was once a financial strength now is a burden to our budget. We continue to operate the same, recycling everything possible with hope that the market will return.

We are currently sending all our trash to Fiberight which is now called Coastal Resource. Using cutting edge technology, they are able to recycle most everything in our garbage, meaning much less goes to a land fill. You can visit coastalresourcesme.com for more information about how their process works.

As always, thank you for your continued support and feel free to stop by the office anytime with any questions. You can follow us on Facebook for updates and announcements.

Boothbay Region Water District

Missing from photo: Scott Campbell*

2019 marked the end of an era at the Boothbay Region Water District. In May, after 59-years of faithful service, Chairman of the Board and lifetime Boothbay Harbor resident, Harry L. Pinkham retired. Over Harry's tenure he was a driving force in creating a true regional water utility. The list of initiatives and accomplishments Harry presided over during his distinguished career, all to the benefit of not only the residents of Boothbay Harbor, but the residents of the region as a whole, are too numerous to list here. Suffice it to say, whether you realize it or not, the legacy Harry left with regard to improving the water supply and safeguarding the public health of the region will be felt for decades to come.

During 2019 the district was very busy in many areas of operation. Some of the projects and efforts accomplished are as follows:

- Completed numerous watershed protection projects along Adams Pond in Boothbay, funded in part with grant money from the Maine Department of Health and Human Services as well as the Maine Department of Environmental Protection;
- Replaced approximately 900-ft of substandard water main along Logan Road in Boothbay Harbor with a new 6" high density polyethylene (HDPE) water main;
- Made two land purchases in the town of Boothbay, one of 5-acres and one of 3-acres, of highly important watershed protection land;
- Completed a 300-ft, privately funded water main extension along Harris Point Road in Boothbay Harbor;
- Began work on a 1,000-ft, privately funded water main extension along Massachusetts Road in Boothbay Harbor;

- Installed seasonal water main on Sawyers Island Bridge, increasing water pressure on Samoset Road in Boothbay and Boothbay Harbor;
- Replaced two worn out 12-inch raw water check valves; perform mid-level overhaul maintenance for both filter trains and pulled and repaired two of the district's six twelve-inch vertical turbine pumps at the Adams Pond Treatment Plant;
- Continued emphasis on leak detection, equipment maintenance and unequaled performance (i.e. value to rate-payers);
- Added 42 new customers.

Not to be overshadowed by Harry Pinkham's departure, the Board saw another departure from the Board, that being Boothbay representative Jon Lewis after three terms of exemplary service. Jon's intelligence, worldly knowledge and level-headed leadership will be greatly missed and the Board is very thankful for his exemplary service.

In March, the voters of Southport re-elected Gerald "Gerry" Gamage as their representative, who was elected by the board to succeed Harry Pinkham as Chairman. In May, the district welcomed two highly qualified newcomers to the Board with Alan Bellows elected in Boothbay to serve as a Boothbay representative, and Merritt Blakeslee was elected in Boothbay Harbor to represent the citizenry in that municipality. During the first meeting in May the Board elected Smith Climo (Southport representative) Vice-Chairman Board; Kevin Anthony (Boothbay representative), District Clerk; and Nell Tharpe (At-Large representative) Treasurer. Rounding out the Board was David Tibbetts (Boothbay Harbor representative).

Looking ahead to 2020, district objectives have greatly expanded and include the following:

- Complete Phase IV year-round water meter replacement project (holdover from 2019);
- Complete the Barlow Hill & Mariner Way Water Main Replacement Project in Boothbay Harbor to replace 1,200-feet of aging water main;
- Replace the Barters Island channel crossing by replacing 1,000 feet of underwater main feeding Barters Island;
- Scheduled repair of Raw Water Pump #1, requiring the refurbishment of this 30-hp. vertical turbine pump;
- Make safety improvements to the Adams Pond Treatment Plant;
- Upgrade the district's supervisory control and data acquisition (SCADA) system to ensure precise operation of the district's treatment system;
- Replace the back wash waste water system at the Adams Pond Treatment Plant;
- Complete a \$597,000.00 construction of additional garage and shop space to properly house and build water district equipment;
- Form an alliance with the Boothbay Region Land Trust to conserve watershed land in the Adams Pond and Knickerbocker Lake watersheds to ensure continued viability of these water reserves well into the future;
- Replace two service vehicles; and
- Continued emphasis on leak detection, equipment maintenance and unequaled performance (i.e. value to rate-payers).

The Boothbay Region Water District, Board of Trustees meet the 2nd & 4th Tuesday of every month at 6:00 p.m. during Daylight Saving Time and 7:00 p.m. during Standard Time at the district administrative office located at 184 Adams Pond Road, Boothbay Maine. The trustees value the public's opinion and encourage the public to attend. For further information concerning projects, minutes and other pertinent information concerning the operation of the district, the public is invited to access the district's web page at www.bbrwd.org.

INDEPENDENT AUDITORS' REPORT

Board of Selectmen
Town of Boothbay
Boothbay, Maine 04537

We have audited the accompanying financial statements of the governmental activities, business-type activities, and each major fund of the Town of Boothbay, as of and for the years ended June 30, 2019 and 2018, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, and each major fund of the Town of Boothbay as of June 30, 2019 and 2018, and the respective changes in financial position, and where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Boothbay's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Town of Boothbay's financial performance provides an overview of the Town's financial activities for the year ended June 30, 2019. Please read it in conjunction with the Town's financial statements provided by our independent outside auditors, William H. Brewer & Co.

This annual report consists of a series of financial statements. The Statement of Net Position (Exhibit A) and the Statement of Activities (Exhibit B) provide information about the activities of the Town as a whole and present a longer-term view of the Town's finances. Fund financial statements start with Exhibit C. For governmental activities, these statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the Town's operations in more detail than the government-wide statements by providing information about the Town's most significant funds. The fiduciary fund financial statements provide information about activities for which the Town acts solely as a trustee for the benefit of those outside of the government.

Reporting on the Town as a Whole

The Statement of Net Position (Exhibit A) and the Statement of Activities (Exhibit B)

The Statement of Net Position and the Statement of Activities report information about the Town as a whole. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Town's net position and changes in it. The Town's net position, the difference between assets and liabilities and deferred inflows, is one way to measure the Town's financial health or financial position. Over time, increases or decreases in the Town's net position are one indicator of whether its financial health is improving or deteriorating. Other non-financial factors, however, such as changes in the Town's property tax base and the condition of the Town's infrastructure, need to be considered to assess the overall health of the Town.

In these government-wide statements, the Town's activities are reported in one category:

Governmental activities – Most of the Town's basic services are reported here, including fire, general administration, roads, and recreation. Auto excise taxes, franchise fees, fines, state revenue sharing, and state and federal grants finance most of these activities.

Reporting on the Town's Most Significant Funds

The fund financial statements provide detailed information about the significant funds, but not on the Town as a whole. Some funds are required to be established by State law or by bond covenants. Additionally, the Board of Selectmen and management establishes other funds to help control and manage money for particular purposes.

Governmental Funds – The Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial resources that can readily be converted to cash.

The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. The relationship between governmental activities and governmental funds is reconciled in Exhibits C and D.

Fiduciary Funds – The fiduciary fund financial statements report on activities for which the Town acts as a trustee. These activities are excluded from the Town's other financial statements because the Town cannot use these assets to finance its operations. The Town is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

Governmental Activities

This section will show a condensed financial comparison of revenues and expenses and provide explanations for significant differences.

To aid in the understanding of the Statement of Activities some additional explanation is given. Of particular interest is that the format is significantly different than the Statement of Revenues, Expenditures, and Changes in Fund Balance. Expenses are listed in the first column with program revenues attributable to that particular function being reported to the right. The result is a Net (Expense)/Revenue. The reason for this type of format is to highlight the relative financial burden of each of the functions on the Town's taxpayers. It also identifies the amount each function draws from the general revenues.

General Government	Charges for Services include revenue from licenses, permits and fees. Operating Grants and Contributions are unrestricted donations to the Town.
Public Safety	Charges for Services are mooring permits and dog licenses. Operating Grants and Contributions are grant monies received for the fire department.
Public Works	Operating Grants and Contributions are grant monies received through the Local Road Assistance Program.
General Assistance	Operating Grants and Contributions are State of Maine reimbursements for general assistance expenditures the Town incurred.

All other governmental revenues are reported as General Revenues. It is important to note that all taxes are classified as general revenue even if restricted for a specific purpose.

Total General Fund Expenditures	<u>\$11,574,966</u>	<u>\$12,301,981</u>

The Town's current General Fund Balance is \$2,930,214. This amount is composed of nonspendable, restricted, and unassigned components.

The Town's General Fund is improving after many years of decline. There were a number of reasons attributed to the decline and most of those have been corrected in the last three years. In previous years, expenditures have been made that were spent out of the unassigned fund balance and not replenished. This practice has been completely eliminated and reversed. Expenditures in excess of appropriations were recognized at Town Meeting and surplus was added to the General Fund. The concerted effort over the years was to replenish the General Fund for the Selectmen's established policy of 18.75% of appropriation or \$1,943,482. This year we attained that goal. Budgeting expenditures and revenues has also been closely scrutinized for better accuracy. This effort will continue and even be refined. Conservative estimates will create surpluses and funds will lapse back to the general fund.

The unassigned portion of the fund balance is the most crucial for the Selectmen to monitor. The unassigned balance as of June 30, 2019 was \$2,211,885. Compare that to June 30, 2018, when the unassigned balance was \$1,979,297. The Town decreased the unassigned fund balance by 0.91%. This was due to the combination of excess expenditures over revenues and the using of capital improvement reserve funds to off-set capital outlays. A Tax Anticipation Note was not required this year and cash flow is fully capable of fulfilling expenditures timely. The Town will continue to implement the three-year UDF replacement plan.

Tax Increment Financing (TIF)

With the creation of TIF #3, all three TIF funds are being accounted for separately. We identify the three different TIF agreements, with Hodgdon Marine LLC, Washburn Doughty, and Boothbay Commercial District as separate and independent TIF programs. The TIF funds will be clearly differentiated from the rest of the General Fund. No projects are projected for funding this year. A concerted effort to rebuild the TIF fund balance will continue in the next few years.

General Fund Budgetary Highlights

The adoption of the Internal Control and Procedures Policy has led to very stable and predictable activity in the General Fund. Segregation of duties has established procedures which creates checks and balances. These checks and balances provide stability to revenue and expenditure recording and predictability to projections. Monthly reconciliation is also much more predictable and thorough.

Capital Assets

As of June 30, 2019, the Town had net capital assets of \$7,545,680.

For the years ended June 30, 2019 and 2018 capital asset comparisons are as follows:

	2019	2018
Beginning Net Capital Assets	\$ 6,563,725	\$ 4,563,725
Net (Decrease) Increase	981,955	2,093,635
Ending Net Capital Assets	<u>\$ 7,545,680</u>	<u>\$ 6,657,360</u>

The Town's capital assets showed an increase in value for the year ending June 30, 2019.

The chart below depicts the Town's assets by their share of the total.

Chart 5

Debt Administration

At year-end the Town's general obligation bonds had a balance of \$1,105,000. This bond financed the Route 27 improvement project.

The only long-term liabilities that the Town is obligated for is the value of accrued compensated absences for Town employees. This amounts to \$34,068 as of June 30, 2019.

Economic Factors and Next Year's Budgets and Tax Rates

Property values are still a very important topic in the Selectmen's Office; property values are a key component in determining the tax rate, the next largest component is spending, and the final piece of the formula is revenues. To the extent possible, the Selectmen have been able to control spending for Town services. However, the cost of Education and the County Tax continue to rise at an alarming rate. The State has added additional funds to the revenue sharing projections in the next fiscal year. Unfortunately, for Boothbay that revision to revenue sharing projects for the 2019/20 fiscal year were revised down to \$107,938. The reduced revenues to the Town of Boothbay means an increased burden on the property tax to support local government, local roads, education, and the Town's share of County government. Your Selectmen have worked diligently to review and modify all areas of spending, purchasing and revenues to wring out what ever savings we can for you, the taxpayer.

During this economic downturn we have had to tighten the Municipal Budget. Like the Federal Government, the State and the towns around us, we have had to measure services wisely. The Selectmen have worked diligently in producing better services without asking for more budgetary permissions. Repair of the undesignated fund, capital budgeting, and conservative estimates in budgeting are key factors in buffering the uncertainties that effect the tax rate.

Contacting the Town's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town Manager's Office at 1011 Wiscasset Road, Boothbay, Maine, or by phone at (207) 633-2051.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Town of Boothbay conform to generally accepted accounting principles as applicable to governmental units.

1. Financial Reporting Entity

The Town of Boothbay, incorporated in 1764, currently operates under a Board of Selectmen form of government with a Town Manager as the Chief Administrator of the Town. The Board consists of five members elected by the registered voters for three year staggered terms. The financial statements of the Town conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is responsible for establishing Generally Accepted Accounting Principles (GAAP) for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) (when applicable) that do not conflict with or contradict GASB pronouncements. The more significant accounting policies established in GAAP and used by the Town are discussed below.

In evaluating the Town of Boothbay as a reporting entity, management has addressed all potential component units for which the Town may or may not be financially accountable and, as such, be includable within the Town's basic financial statements. In accordance with GASB, the Town (the primary government) is financially accountable if it appoints a voting majority of the organization's governing board and (1) it is able to impose its will on the organization or (2) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the Town. The Town also is financially accountable for organizations that are fiscally dependent on it and if there is a financial benefit or burden relationship. Additionally, the primary government is required to consider other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's basic financial statements to be misleading or incomplete. Based on the application of these criteria, there are no other entities within the Town that should be included as part of these financial statements.

2. Basic Financial Statements - Government-Wide Statements

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as governmental. The Town's public safety, recreation, public works, and general administrative services are classified as governmental activities.

In the government-wide Statements of Net Position, the governmental column is presented on a consolidated basis by column, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net position are reported in three parts - invested in capital assets; restricted; and unrestricted. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statements of Activities reports both the gross and net cost of each of the Town's functions and business-type activities (public safety, public works, administrative, etc.). The functions are also supported by general government revenues (property, certain intergovernmental revenues, fines, permits, and charges, etc.). The Statements of Activities reduces gross expenses (including depreciation) by related program revenues, and operating and capital grants. Program revenues must be directly associated with the function (public safety, public works, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

2. Basic Financial Statements - Government-Wide Statements (Cont'd)

The net costs (by function or business-type activity) are normally covered by general revenue (property, intergovernmental revenues, interest income, etc.).

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net position resulting from the current year's activities.

3. Basic Financial Statements - Fund Financial Statements

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Town:

a. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

1. General Fund:

General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Capital Projects Funds:

Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities and equipment.

3. Fiduciary Funds:

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support Town programs. The reporting focus is on net position and changes in net position and are reported using accounting principles similar to proprietary funds.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Nonmajor funds by category are summarized into a single column. GASB No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category) for the determination of major funds.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

3. Basic Financial Statements - Fund Financial Statements (Cont'd)

a. Governmental Funds (cont'd):

3. Fiduciary Funds cont'd):

The Town's fiduciary funds are presented in the fiduciary fund financial statements. Since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

4. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied:

a. Accrual:

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

b. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e. both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

5. Financial Statement Amounts

a. Cash and Cash Equivalents:

The Town has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Statutes authorize the Treasurer of the Town, as directed by the municipal officers, to invest all municipal funds, including reserve and trust funds, to the extent that the terms of the instrument, order, or article creating the fund do not prohibit the investment in financial institutions as described in Section 5706 MRSA and securities as described in Sections 5711 through 5717 MRSA.

b. Inventory:

Fuel inventory is valued at cost and consists of gas and diesel purchased for internal use and resale to local governmental entities.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

5. Financial Statement Amounts (Cont'd)

c. Capital Assets:

Capital assets purchased or acquired with an original cost of \$1,000.00 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	20-50 Years
Machinery and Equipment	5-10 Years
Improvements	10-20 Years
Other Infrastructure	10-50 Years

d. Revenues:

Substantially, all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues, the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

e. Expenditures:

Expenditures are recognized when the related fund liability is incurred. Inventory costs are reported in the period when inventory items are used, rather than in the period purchased.

f. Compensated Absences:

The Town accrues accumulated unpaid vacation and sick leave and associated employee-related costs when earned (or estimated to be earned) by the employee. The noncurrent portion (the amount estimated to be used in subsequent fiscal years) for governmental funds is maintained separately and represents a reconciling item between the fund and government-wide presentations.

g. Use of Estimates:

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

5. Financial Statement Amounts (Cont'd)

h. Fund Balance:

In accordance with GASB Statement No. 54, the Town employs terminology and classifications for fund balance items as follows:

Nonspendable fund balances includes amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact.

Restricted fund balances represent those portions of fund equity that have externally enforceable legal restrictions.

Committed fund balances are amounts that can be used only for specific purposes because of a formal action taken by town government. The fund balances in the Capital Projects Fund are in this category.

Assigned fund balances are amounts that the Town intends to use for specific purposes. The Board of Selectmen approved carryovers are included in assigned fund balances.

Unassigned fund balances are all amounts in the General Fund that are not assigned to another category. Only the General Fund can have an unassigned fund balance.

i. Deferred Inflows of Resources:

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (reserve) until that time.

6. Implementation of New Accounting Standards

During the year ended June 30, 2019, the following statements of financial accounting standards issued by the Governmental Accounting Standards Board became effective:

- a. Statement No. 83, "Certain Asset Retirement Obligations". The objective of the Statement is to address accounting and financial reporting for certain asset retirement obligations (AROs). An ARO is a legally enforceable liability associated with the retirement of a tangible capital asset. A government that has legal obligations to perform future asset retirement activities related to its tangible capital assets should recognize a liability based on the guidance in this Statement. Management has determined that this statement is not applicable.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

6. Implementation of New Accounting Standards (cont'd)

- b. Statement No. 88, "Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements". The primary objective of this Statement is to improve the information that is disclosed in notes to government financial statements related to debt, including direct borrowings and direct placements. It also clarifies which liabilities governments should include when disclosing information related to debt. This Statement defines debt for purposes of disclosure in notes to financial statements as a liability that arises from a contractual obligation to pay cash (or other assets that may be used in lieu of cash) in one or more payments to settle an amount that is fixed at the date the contractual obligation is established. This Statement requires that additional essential information related to debt be disclosed in notes to financial statements, including unused lines of credit; assets pledged as collateral for the debt; and terms specified in debt agreements related to significant events of default with finance-related consequences, significant termination events with finance-related consequences, and significant subjective acceleration clauses. Management has determined that the impact of this Statement is not material to the financial statements.

7. Future Accounting Pronouncements

- a. Statement No. 84, "Fiduciary Activities" effective for the fiscal year ended June 30, 2020. The objective of this Statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. This Statement establishes criteria for identifying fiduciary activities of all state and local governments. The Town is currently evaluating whether the government is controlling the assets of the fiduciary activity and the beneficiaries with whom a fiduciary relationship exists to determine if the fiduciary fund should be included in the basic financial statements of future years.
- b. Statement No. 87, "Leases" effective for the fiscal years ended June 30, 2021. The objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. Management has determined that the impact of this Statement is not material to the financial statements.
- c. Statement No. 89, "Accounting for Interest Cost Incurred before the End of a Construction Period" effective for the fiscal year ended June 30, 2021. The objectives of this Statement are (1) to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and (2) to simplify accounting for interest cost incurred before the end of a construction period. This Statement establishes accounting requirements for interest cost incurred before the end of a construction period. Management has determined that the impact of this Statement is not material to the financial statements.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

7. Future Accounting Pronouncements (cont'd)

- d. Statement No. 90, "Majority Equity Interests", an amendment of GASB Statements No. 14 and No. 61 effective for the fiscal year ended June 30, 2020. The primary objectives of this Statement are to improve the consistency and comparability of reporting a government's majority equity interest in a legally separate organization and to improve the relevance of financial statement information for certain component units. It defines a majority equity interest and specifies that a majority equity interest in a legally separate organization should be reported as an investment if a government's holding of the equity interest meets the definition of an investment. A majority equity interest that meets the definition of an investment should be measured using the equity method, unless it is held by a special-purpose government engaged only in fiduciary activities, a fiduciary fund, or an endowment (including permanent and term endowments) or permanent fund. Those governments and funds should measure the majority equity interest at fair value. Management has determined that the impact of this statement is not material to the financial statements.

8. Subsequent Events

As of August 13, 2019, the date the financial statements were available to be issued, management has reviewed events after June 30, 2019 and there were no material subsequent events requiring disclosure.

NOTE B - CASH AND CASH EQUIVALENTS:

At year-end the carrying amount of the Town's deposits (checking, certificates of deposit, and savings accounts) was \$2,874,591.15 and the bank balance was \$3,062,811.37. Of the bank balance, \$330,264.74 was covered by federal depository insurance and \$2,732,546.63 was collateralized with funds held by the pledging bank's trust department, not in the Town's name.

NOTE C - GENERAL FUND BUDGET:

At the annual town meeting, held in May of each year, the townspeople vote on various articles that become the appropriations for the following fiscal year. The Board of Selectmen present their budget in the form of warrant articles for the townspeople to approve at the annual town meeting. Budgets are adopted for the general fund only on a basis consistent with accounting principles generally accepted in the United States of America. Formal budgetary integration is employed as a management control device during the year for the general fund. The budget is presented on the modified accrual basis of accounting, which is consistent with U.S. generally accepted accounting principles.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE D - DESIGNATED FOR SUBSEQUENT YEARS' EXPENDITURES:

Historically, the townspeople vote to allow the Board of Selectmen to carry certain departmental unexpended balances forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

Assigned Fund Balance:

October 2017 Storm Funds	\$ 51,578.33
Economic Development	35,147.76
Total	<u>\$ 86,726.09</u>

NOTE E - DEFERRED REVENUE:

Deferred Revenue consists of the following:

Prepaid 2019 Taxes	\$ 27,298.70
Suspense	41,989.39
	<u>\$ 69,288.09</u>

NOTE F - REVENUE RECOGNITION - PROPERTY TAXES:

The Town's property tax for the current year was levied July 24, 2018 on the assessed value listed as of April 1, 2018 for all real and personal property located in the Town. One half of the total tax was due August 24, 2018 with the balance due February 15, 2019. Interest of 7.0% was charged on delinquent taxes on the unpaid portion of one-half of the tax bill not paid on or before August 25, 2018, and on the entire portion not paid on or before February 16, 2019.

Tax liens are placed on real property within twelve months following the tax commitment date if taxes are delinquent. The Town has the authority to foreclose on property eighteen months after the filing of the lien if tax liens and associated costs remain unpaid. Property acquired by foreclosure for non-payment of taxes is recorded at the amount of expired tax liens. Liens and any current taxes on the same period are not included as part of the tax acquired property account until expiration of statutory time limits.

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized only to the extent it will be collected within 60 days following the year end. The deferred tax revenue shown on the balance sheet represents property taxes not expected to be collected within 60 days after the year end.

Property taxes are recognized when they become available. Available includes those taxes expected to be collected within 60 days after the year end as stated above. Delinquent taxes are considered fully collectible and therefore no allowance for uncollectible taxes is provided.

NOTE G - PENSION PLAN - DEFINED CONTRIBUTION:

The Town of Boothbay offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 401(a) money purchase plan through the International City Management Association Retirement Corporation.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE G - PENSION PLAN - DEFINED CONTRIBUTION (CONT'D):

The deferred compensation plan is available to all employees of the Town. Under the plan, employees may elect to defer a portion of their salary and avoid paying taxes on the deferred portion until the withdrawal date. The deferred compensation amount is not available for withdrawal by employees until termination, retirement, death, or unforeseeable emergency. The Town's computed contribution to this plan for the year ended June 30, 2019 was \$46,210.76 and the employees contributed \$8,651.78. Assets of the plan are placed in trust for the exclusive benefit of participants and their beneficiaries. Accordingly, the assets and the liability for the compensation deferred by plan participants, including earnings on plan assets, are not included in the Town's financial statements.

NOTE H - PROPERTY, PLANT, AND EQUIPMENT:

The overdrafts are the result of expenditures exceeding budgeted amounts and revenues not meeting budgeted figures.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE J - COMPENSATED ABSENCES:

The Town allows employees to accumulate up to 50 days in unused sick leave. Vacation time may accumulate up to a maximum of 25 days or 200 hours or more at the discretion of the town manager. Upon separation or retirement, the Town will pay the employee a maximum of 15 days for unused vacation and 25% of their unused sick leave.

As of June 30, 2019, the accrued vacation and sick leave was \$38,631.30. The amount expected to be paid from current resources is not significant.

NOTE K - RISK MANAGEMENT:

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All significant losses are covered by commercial insurance. There has been no significant reduction in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

NOTE L - OVERLAPPING DEBT:

The Town of Boothbay is situated in Lincoln County and is therefore subject to annual assessment of its proportional share of county expenses. Long-term debt outstanding in Lincoln County, for which the Town of Boothbay would be proportionally responsible in the event the County defaulted, amounted to \$4,315,000.00 at December 31, 2018. The Town of Boothbay's share would be 13.12% of the debt, or approximately \$566,200.00.

The Town of Boothbay is a member of the Boothbay-Boothbay Harbor Consolidated School District and is therefore subject to annual assessment of its proportional share of school expenses. Long-term debt outstanding for the Boothbay-Boothbay Harbor Consolidated School District, for which the Town of Boothbay would be proportionally responsible in the event the District defaulted, amounted to \$5,326,278.03 at June 30, 2019. The Town of Boothbay's share would be 60% of the debt, or approximately \$3,195,767.00.

NOTE M - TAX INCREMENT FINANCING DISTRICT:

Hodgdon Marine LLC Municipal Development and Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to Hodgdon Marine, LLC Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a twenty-year period to expire June 30, 2021. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

The Town established the Hodgdon Marine, LLC Municipal Development and Tax Increment Financing District at a special town meeting held on December 6, 1999. This agreement was for the improvement of facilities within the District by Hodgdon Marine, LLC. During the following twenty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating seventy five percent (75%) of the incremental municipal tax increment revenues to the Company pursuant to a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

NOTE M - TAX INCREMENT FINANCING DISTRICT (CONT'D):

Washburn & Doughty Municipal Development and Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to Washburn & Doughty Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a twenty-year period to expire June 30, 2031. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

The Town established the Washburn & Doughty Municipal Development and Tax Increment Financing District at the annual town meeting held on May 4, 2009. The agreement was for improvements made to 7 and 8 Enterprise Street. During the following twenty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating seventy five percent (75%) of the incremental municipal tax increment revenues to the Company pursuant to a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

The Real Property Captured Tax Increment Revenues shall be calculated based on real property values in excess of the Town's valuation of the District as of July 12, 2008 (\$385,000.00). The Company increment portion will be used by the Company either to pay costs of the project directly or to pay debt service used to finance the project. The project costs financed by the Real Property Captured Tax Increment Revenues will represent only a portion of the total costs of the project. All additional costs of the Company in respect of the project will be the responsibility of the Company. After twenty years, the Company will have no further right to the Company Increment Portion, and it will form part of the Town's general revenues.

Omnibus Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to the Route 27 Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a thirty year period to expire June 30, 2044. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

The Town established the Omnibus Municipal Development and Tax Increment Financing District at the annual town meeting held on May 5, 2014. The agreement was for improvements made to the Route 27 corridor. During the following thirty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating all of the incremental municipal tax increment revenues to the Towns reserves or to developers in the form of a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

The Real Property Captured Tax Increment Revenues shall be calculated based on real property values in excess of the Town's valuation of the District as of July 22, 2014 (\$14,596,200.00). The town has the ability to enter into credit enhancement agreements with the individual developers of property within the district during the term of the development program. The Company increment portion will be used by the Company either to pay costs of the project directly or to pay debt service used to finance the project. The project costs financed by the Real Property Captured Tax Increment Revenues will represent only a portion of the total costs of the project. All additional costs of the Company in respect of the project will be the responsibility of the Company. After thirty years, the Company will have no further right to the Company Increment Portion, and it will form part of the Town's general revenues.

Governor

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next three years, I will continue to do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

During my first year in office, I directed the implementation of the voter-approved Medicaid expansion, allowing over 40,000 Maine people to gain health care coverage. We added state-guaranteed protections for people with pre-existing conditions, passed a prescription drug reform package, and restored the Maine Drugs for the Elderly and Disabled program, covering an additional 1,800 seniors. And we continue to work on strategies to bring down the cost of health care for small businesses and others. I also signed an Executive Order directing my Administration to develop effective opioid prevention efforts in schools, make Narcan more available, increase medication assisted treatment, train recovery coaches, and expand drug courts.

Protecting Maine's environment and tackling climate change are key priorities of my Administration. I am committed to increasing Maine's Renewable Portfolio Standard to 80 percent by 2030; improving our modes of transportation; weatherizing homes and businesses; and reaching 100 percent renewable energy by 2050. By embracing the green technology of the future, we will reduce the impacts of climate change, create good-paying jobs, preserve clean air and water, and protect our state's farming, fishing, and forestry industries.

The biennial budget provided more revenue sharing, more homestead reimbursements, and more disaster assistance for towns - which all together will result in relief for property taxpayers. It invested \$115 million in education and school renovations, and we are working toward Pre-K for every 4-year-old, increasing post-high school options that result in a valued credential, and making sure that every able adult is working. Further, I, along with government agencies, small business owners, entrepreneurs, economists, and hard-working Mainers, developed a statewide economic development plan, the first in nearly 25 years. We will diversify our economy, empower innovators, and attract young, talented people to live, work, and raise their families here in Maine.

It is time for new, dynamic ideas that will change Maine for the better. I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, healthy people, and prosperous communities.

Thank you,
Janet T. Mills Governor

State Senator

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the privilege of serving in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

As I write this, Maine and the rest of the world is in the midst of a pandemic as we battle COVID-19. Practicing safe social distancing and other directives we have never experienced before are essential to mitigate the spread of the virus. In keeping with these guidelines, unfortunately I cannot go about my usual visits throughout our communities and interacting face-to-face; however, I will continue to stay in touch by mail and social media as a means of fulfilling my desire to represent your interests at the State House.

Though we have accomplished a great deal in the past year, there is still much more to be done. More than ever, maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so they can thrive as a result of their own hard work, and making sure government is the most fiscally responsible steward of your tax dollars. These will continue to be my priorities over the upcoming months as all Mainers work to recover from the unprecedented events of the last several weeks.

My colleagues elected me as Senate Republican Leader, and I have used the position to listen to my fellow Senators' ideas and viewpoints. Together, we have done our duty to ensure the best interests of all Maine citizens. I also serve on the Marine Resources Committee, which has jurisdiction over the state's commercial marine fisheries management, including the processing and sale of marine fish, shellfish and aquaculture. More recently I was appointed to the Energy, Utilities and Technology Committee. As the sponsor of one of Maine's most comprehensive solar bills, I enjoyed working with the members of this panel.

Again, thank you for electing me to serve you in the State Senate. Please feel free to contact me at 287-1505 or Dana.dow@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,
Dana Dow
State Senator

State Representative

Dear Boothbay Neighbors,

It is an honor to serve as your State Representative. As I continue to represent our community in Augusta, my focus will remain on providing responsive constituent services, being your advocate in the State House and voting to advance legislation that improves life in our district and our state.

The Legislature has now convened for its second session. With adjournment scheduled for the end of April, there is plenty of work to be done. Over the coming months, we will consider over 650 pieces of legislation on a wide variety of topics. Some of our broad goals this year include further increasing access to health care, reducing the cost of insulin, providing meaningful property tax relief, addressing climate change and expanding broadband access.

Many items on our session to-do list will come from the hard work our many task forces and commissions took up during the off-session. I was honored to serve on the Commission to Study Long-term Care Workforce Issues. We worked throughout the fall to determine the current and future needs for direct care workers, as well as developed strategies to improve the quality of long-term care jobs. The Legislature will consider recommendations from the Maine Climate Council to help us address the climate crisis and assist Maine communities adapting to the changes we've already seen. We'll look at how to improve our criminal justice system, consider more sustainable ways to fund transportation projects and more.

With an extensive roadmap provided by Gov. Mills's newly released 10-year strategic economic development plan, we will also be hard at work implementing policies that create jobs and support local industries. Mainers are willing to work, and we deserve secure, good-paying jobs that support our families, strengthen our communities and grow our economy.

Finally, I am proud to continue serving on the Health and Human Services Committee where our focus will remain on solving the opiate crisis, improving health care and mental health care, and more. I encourage you to reach out to me with questions, concerns, thoughts and ideas. My phone number is 207-633-5979 and my email address is holly.stover@legislature.maine.gov. If you'd like to receive updates about my work and other State House related news, please let me know and I will sign you up for my monthly e-newsletter.

Warm Regards,
Holly Stover
State Representative

U.S. Senator

Dear Friends,

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,
Angus S. King Jr.
United States Senator

U.S. Senator **Washington, DC**

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the “Military Widow’s Tax,” an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people’s health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine’s Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation’s premiere biomedical research institution, including significant boosts for Alzheimer’s disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation’s crumbling infrastructure and ensure that Maine’s housing needs are addressed. For Maine’s roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee’s

Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS' Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,
Susan M. Collins
United States Senator

U.S. Representative

Dear Friends,

I hope this letter finds you well. It's a privilege to represent you and your family and I am thankful for the opportunity to update you on my work in Washington and Maine.

In 2019, I was honored to work with my colleagues to pass hundreds of bills that address everything from fighting climate change to raising the minimum wage. And while Congress has become an increasingly partisan place, I was proud to continue my habit of reaching across the aisle, introducing a number of bipartisan bills and cosponsoring even more.

On the House Appropriations Committee, I worked to support programs important to Maine, such as rural broadband investment, Head Start, PFAS clean up, and shipbuilding at Bath Iron Works. Further, I firmly believe we need to make substantial investments in all aspects of our infrastructure, from safe drinking water and modernized schools, to upgraded highways, transit, and rail. From my seat on the Appropriations Committee I advocated for increased funding for the BUILD grants program which funds investments in transportation infrastructure by states, local governments, and transit agencies. I also pushed for increased funding for the Community Development Block Grant program, our national park system, local and organic agriculture, election security, and the Land and Water Conservation Fund.

Since my time in the Maine State Senate, lowering the cost of prescription drugs has been one of my top priorities. This year I introduced two bills that would help Americans afford their prescription medications. I also voted for a bill that would allow the Centers for Medicare and Medicaid Services to directly negotiate prices for certain drugs. I look forward to continuing this important work in 2020 so Americans are no longer faced with the choice of picking up prescriptions they desperately need or putting food on the table.

I am sure this coming year holds many challenges and opportunities for our country, and I promise that the interests and principles of Mainers will continue to guide my work. If there is anything my offices in Washington or Maine can do to be of assistance — whether you, your town, or your organization is applying for a grant; you're facing an issue with a federal agency; or if you'd just like to share a thought or opinion — please do not hesitate to reach out.

Best wishes,
Chellie Pingree Member of Congress
