Dedication

Stanley “Swing” Lewis
January 5, 1928 – September 16, 2024

This year’s Annual Report is dedicated to Stanley “Swing” Lewis. Swing was a pillar of our community and gave an immeasurable amount of time to community service. He graduated from Boothbay Harbor High School and served in the U.S. Marine Corps during WWII.

He was employed by the Boothbay Region School District for 39 years, 20 of those years as Transportation Supervisor. Just about everyone in Town who grew up here remembers Swing as driving their bus or heard stories about him kicking someone off the bus for misbehaving. Swing served as Fire Chief for the Boothbay Fire Department for 37 years and was a Lincoln County Deputy Sheriff for 47 years.

He also served as Cemetery District Trustee for 30 years, following in the footsteps of his father Wendell Lewis. Swing was a member of the Bayview Masonic Lodge for 55 years and in 2006 he was honored with a Lifetime Service Award by The Boothbay Harbor Rotary Club for his devotion to the community.

I always enjoyed seeing him when they had the Cemetery District meetings at the office. He would always come in and say “Andrea!” in this boisterous way when he’d see me and then give Dan a hard time for not working enough. Swing was “Uncle Swing” to me, and I, of course, have a special place in my heart for him, as I’m sure so many others do as well, whether family or not. He was sharp as a tack and opinionated until the end, as we would expect a “Lewis” to be. He will be missed, but stories will be passed on to keep his spirit alive through the generations. Thank you for your service “Uncle Swing”.

In Memory Of

Stephen E. Alley
06/27/1940 – 01/07/2025

Stephen E. Alley was born in East Boothbay in 1940 and lived there for all of the 84 years of his life. He was a member of the Boothbay Region High School Class of 1958, married his wife Eleanor in 1960, and they enjoyed 61 years of marriage.

Steve was a member of Bayview Lodge #196 in East Boothbay for 55 years and his involvement with the Town of Boothbay began in the late '50s to early '60s. He worked on the road crew for Carl Williams, was a Volunteer Fireman and later worked for the town as a subcontractor plowing and providing trucks to sand town roads. In the '80s and '90s he served a few terms as Selectman after having always been "unofficially involved". Until his death he was frequently called upon to provide historic information regarding all aspects of past town events and practices both in and out of town government.

Thank you Steve for your service to the Town of Boothbay and for sharing your vast amount of knowledge through the years.

In Memory Of

Royall M. Dodge
01/13/1930 – 12/30/2024

Royall M. Dodge was a lifelong resident of the Town of Boothbay, he graduated from Boothbay Harbor High School in 1948. He was drafted into the U.S. Army in 1951 and served in the Korean War. Royall was awarded the Purple Heart Medal, the Silver Star Honorable Service Medal and the Korean Ambassador for Peace Medal.

Royall spent most of his working days as a finish carpenter (joiner) at Goudy and Stevens Shipyard. He was respected for his wood-working skills and craftsmanship. He was a past master of Bayview Masonic Lodge #196 in East Boothbay, a Kora Temple Shriner, Lifetime Member of the Charles E. Sherman American Legion Post and the VFW.

Like a true Mainer Royall enjoyed camping, boating, spending time with family, and Sunday drives throughout the state. Thank you Royall for your community service and your service to our country.

Pictured in photo are Royal and his wife Eleanor. Photo was taken by Sarah A. Sherman.

Boston Post Cane Recipient

Edgar Lewis, our Boston Post Cane Recipient, with his family, Kim, Jeff and Isaac Lewis

Edgar Lewis was brought to the Town Office on October 18, 2024 thinking he was just going to do an absentee ballot but was pleasantly surprised when Town Manager Dan Bryer presented him with the Boston Post Cane for the Town of Boothbay.

Back in 1909, a New England tradition was started by Edwin A. Grozier, publisher of the Boston Post. The cane was to be given to the oldest citizen of each town, (700 towns were given a cane) and, upon their death, it is passed on to the next oldest citizen.

Edgar's family and friends were present for the ceremony and he was thrilled to be presented with the cane. He thought, being only 98, he would have to wait a little longer to get it.

Edgar is a lifelong resident of the Town of Boothbay, leaving only four years to serve in the Marine Corps. He was one of the owners of the Mill Cove Lobster Pound for many years.

We are proud to have him as our recipient for the Town of Boothbay, Boston Post Cane; he represents the best generation and has done so much for the community through his 98 years.

In January 2024, East Boothbay faced a series of severe storms that brought heavy snow, freezing rain, and powerful winds to the region, along with remarkably high tides. The storms, which occurred over the course of several days, led to widespread power outages, fallen trees, and significant damage to infrastructure. Coastal flooding also threatened homes and businesses along the shoreline, exacerbating the challenges faced by residents. The storm's impact was particularly severe on the small, tight-knit community of Shore Road, and King Phillips Trail, where many residents rely on essential services such as power and transportation to navigate the harsh winter conditions.

In response to the devastation, the town quickly mobilized to support recovery efforts. The Boothbay Public Works, the Fire Department, local residents, and local emergency responders, worked tirelessly to clear roads, assist in keeping the area accessible for first responders, and provide shelter for displaced residents if needed. Public works teams focused on restoring the roadways, both temporarily and in preparation for long term work.

Boothbay's local government collaborated with regional organizations, such as the Maine Emergency Management Agency, and the Federal Emergency Management to coordinate resources and ensure a swift response. They established a disaster recovery fund to support affected businesses and homeowners, providing financial aid to help with repairs and rebuilding efforts. Local businesses, many of which were impacted by the storm, received assistance through grants and low-interest loans aimed at helping them resume operations.

Residents also played a vital role in the recovery process, with neighbors helping each other clear debris, offer shelter, and ensure that vulnerable community members were cared for. The town's resilience and sense of solidarity were very clear in the days following the storm, as Boothbay began to recover and rebuild, with a focus on both immediate needs and long-term infrastructure improvements.

By the end of January many of the critical services had been reinstated, thanks to the combined efforts of local authorities, volunteers, and external organizations. The recovery efforts highlighted the town's strength as a community, demonstrating the importance of preparation, communication, and collaboration in the face of natural disasters.

Business Office Report

The Town Clerk is in charge of maintaining the town's vital records. The office of the clerk runs all State and municipal elections. We license dogs, issue birth and death certificates, and marriage licenses. The business office also collects all tax payments, mooring and permit fees and registers vehicles.

Certified copies of Vitals (births, deaths, marriages) must be applied for with proof of ID. Applications can be found on our website www.townofboothbay.org. Please allow a 24-hour turnaround. Fees are \$15.00 for the first one and \$6.00 for each additional one done at the same time.

There were **12 births** recorded in Boothbay for 2024; 3 females and 9 males born to Boothbay residents. Congratulations to all the families with new babies.

There were **54 deaths** recorded for 2024. There were 22 females and 32 males. The youngest was under 22 years old, and the oldest was 100 years old.

We issued **24 marriage licenses** during 2024, **33 marriages** took place in Boothbay. There were 11 Boothbay resident couples, and 22 non-resident couples. The happy couples came from Colorado, Delaware, New York, Pennsylvania and Texas to get married in our beautiful town.

To apply for a marriage license you will need to make an appointment for both of you to come in to our office together with picture identifications. Allow an hour for the process. If married before, you must show *original* divorce papers or a spousal death certificate. You will complete a marriage intentions form, and sign it in the presence of the clerk or deputy. The fee is \$40.00.

Boothbay residents licensed a total of **226 dogs** during calendar year 2024. Dog license fees remain at \$11 per dog, or \$6 for spayed/neutered dogs. When licensing at our office, please bring in a current rabies certificate. A spaying or neutering certificate will be required if it is a first time license. If you would prefer to do it online, please see the website below. For any animal control issues you need to contact Lincoln County Communications.

Since June 2024 we have issued a total of **19 commercial shellfish licenses**, and **44 recreational licenses**. Our shellfish warden is Nicholas Upham. The Town of Boothbay Harbor is the host town for the Shellfish Ordinance once again.

For **vehicle renewals**, please bring your old registration, current *accurate* mileage and proof of insurance. If you would prefer to do it online, please see the website below. **First time registrations** require additional paperwork and cannot be done after 4:00 pm or online. All vehicles 2000 or newer require a title.

For **tax payments**, please bring in the stub from your tax bill. Tax bills go out in July, with the first $\frac{1}{2}$ due in August and the second $\frac{1}{2}$ due in February. We *do not* send a second notice.

For MOSES transactions, please bring in last year's registration or the "ME" number from your **boat, ATV or snowmobile** or last year's license or MOSES number for **Hunting or Fishing licenses**.

Online services you may access are:

www.maine.gov/online/bmv/rapid-renewal to renew a vehicle or trailer or to request a reminder notice.

www.maine.gov/online/sporting for hunting/fishing licenses and boat, snowmobile & ATV re-registrations.

www.maine.gov/online/dog_license to register your dog.

During 2024 we had the following **meetings and elections**:

March 5, 2024 Presidential Primary

March 27, 2024 Special Town Meeting

April 24, 2024 CSD Referendum

May 6, 2024 Annual Town Meeting

June 11, 2024 State Primary / CSD Budget Validation Referendum

October 23, 2024 Special Town Meeting

November 5, 2024 General Election

2024 was definitely the year of elections! Out of the seven years I have worked for the Town of Boothbay I have never had such a full schedule of election planning and election days. I have to thank the guys in Public Works for their patience with having to carry all the voting booths up and down the attic stairs so many times. I couldn't have done it without their help setting up and breaking down the room for each election. I want to thank my election clerks for all they do and Nicole and Tracey for having my back and last but not least, thank you to our Selectmen and our Town Manager, Dan Bryer for all their support. Even for the Presidential Election we really had everything go smoothly and luckily breathing very deeply helped my stress level. We are so blessed to live in such a beautiful town and to have such wonderful residents who are always patient and continually let us know they appreciate us. I hope you all have a productive and healthy 2025 filled with smiles, laughter and love.

Andrea D. Lowery,
Town Clerk

Exemptions

Homestead Exemption - This program provides property tax relief for individuals that have owned homestead (permanent residence) property in Maine for at least twelve months and make application to the local assessor. The exemption reduces the taxable value of the property by 25,000 adjusted by the certified ratio.

Veteran Exemption - A veteran who has served during a recognized war period and is 62 years or older; or, is receiving 100% disability as a Veteran; or, became 100% disabled while serving, may make application to the local assessor. The exemption reduces the taxable value of the property by 6,000 adjusted by the certified ratio.

Blind Exemption - An individual who is determined to be legally blind may make application to the local assessor and may receive up to \$4,000 in reduced taxable value.

Business Equipment Tax Exemption (BETE) - BETE is a 100% property tax exemption for eligible business personal property first subject to tax on or after 4/1/08. The BETE application must be filed with the local assessor. Please use the following link for more information: www.maine.gov/revenue/propertytax/propertytaxbenefits/bete.htm

Code Enforcement Department

Office hours 8:30 AM – 4:30 PM Monday through Friday

Dan Feeney, Code Enforcement Officer, Local Plumbing Inspector and Addressing Officer

Melissa Balducci, Code Enforcement Assistant

Department phone number: (207) 633-2051

Email: dfeeney@townofboothbay.org

This year was extremely busy for the Code Enforcement Office.

We issued 244 permits:

Structure – 176

Internal Plumbing – 41

Septic Systems – 27

We held 9 Planning Board meetings for 22 applications.

We held 7 Planning Board workshops regarding LD2003.

The office sponsored two workshops, one on erosion & sediment control with the Maine DEP and another on interior and subsurface plumbing with the State DHE. Both workshops were well attended and we plan on having additional classes in the near future.

There were no Board of Appeals meetings.

The storms in January 2024 caused damage to numerous structures including several wharfs and dwellings which required major reconstruction.

The total cost for Internal Plumbing and Septic Permits is \$19,460.00

The total cost for Structure permits is \$81,424.79.

Respectfully submitted,
Code Enforcement Office

Public Works

The devastating storms of January '24 dominated our work load last year. Lack of snow and plowing were traded for rebuilding 1 1/2 miles of road at Ocean Point and Little River which were completely washed away and basically nonexistent.

After the storms subsided with my own crew and assistance from several local contractors including N.A. Reny Construction, Jody Lewis Excavation, E.M. Wood Construction and Hyson Excavation we were able to make temporary repairs allowing limited passage to all homes and properties for emergency vehicles, power company vehicles, oil trucks and other necessary traffic. After guiding the EMA Agencies from every level including local, county, state and federal through the destruction Crooker Construction of Topsham provided engineers and estimators to assist us with completing the paperwork necessary to collect the damage relief funds from FEMA.

The permanent reconstruction began in earnest in March with Crooker Construction handling the Shore Road rebuild. Jody Lewis Excavation handled the King Phillips Road rebuild with material provided by N. A. Reny Construction and additional trucks provided by N. A. Reny Construction, Hyson Excavation and E.M. Wood Construction. With 90% of the rebuilds being complete by Memorial Day.

During this time we were still able to squeeze in enough of our usual spring duties to make sure the summer season got started as uninterrupted as possible.

Our normal summer road construction included preparing Dover Cross Road and Dover Extension for paving by improving drainage and removing rock and ledge from beneath the road bed. With the paving done in the fall and the shoulders installed directly after, just in time to prepare for winter.

A special thank you this year to those that were mentioned for their involvement in the storm rebuild and also to those that reached out and offered help as well.

None of this would be possible without the trust and support of our Selectmen and townspeople, thank you to them! Also many thanks to Dan our Town Manager for all the behind the scenes work that make these things possible and special recognition should also go to the ones with the boots on the ground, my crew. Tony, Sam, Roman, Andy and J.J. Thank you guys!

Boothbay Harbor Sewer District

From left to right: Ryan Murphy, Nick Giles, Kay Knapp and David Pratt

I am pleased to offer this report (my first) on behalf of the Boothbay Harbor Sewer District. 2024 was a busy year with many projects underway. The District continues to work hard to ensure continued fiscal responsibility and provide excellent treatment and conveyance of wastewater. The District operates as an enterprise account, and as such, is required to raise all revenue to cover operating expenses. These revenues are raised through sewer user fees and permit receipts. In addition, every year the district seeks out low-interest loans and grants to help fund our capital improvements.

2024 was a transitional year for management of the District. Superintendent Nicholas DeGemmis II abruptly resigned in September. The Board of Trustees appointed David Pratt as the new Superintendent. In addition, two new members of the crew joined the District, Ryan Murphy and Kay Knapp.

The District continues to plan improvements to your treatment and collection systems. As in the past, the next several years will continue to be busy. The District continues to monitor the treatment plant influent and effluent in partnership with Biobot for COVID-19 and with Verily for COVID-19, Influenza A & B, Mpox, RSV, Norovirus GII, and HMPV (human metapneumovirus). The District continues to assess PFAS in partnership with the DEP. The district is in year ten of its capital improvement plan. The improvements include the final two pump station control/SCADA panel upgrades, the purchase of a new portable 60 KW generator, the purchase of six new pumps for three pump stations, the purchase of a new sewer jetting machine, and completed ambient nutrient testing of the Harbor and the plant effluent in anticipation of issuance of the new discharge permit in late 2025. Next year's major improvements to your system include the following:

- The district will be developing its new Fiscal Sustainability Plan and associated 20-year capital improvement plan.
- The District continues work on phase 1 of the sea wall project (plant electrical upgrades).
- Inspection and repair of the plant outfall pipe and diffusors.

- Secured an additional \$2.32M from a FEMA Grant for the \$8.1M Sea Wall Project. This brings the total grant funds received for the Project to \$6.33M. We are working diligently to secure the remainder of the required funds through other grant opportunities.

The District Trustees continue to lead the district through their strong work ethic, strong leadership style, and fiscal responsibility. Because of this leadership, the financial position of the district remains strong. The Board continues to research opportunities for increased efficiencies and expense reduction.

The District's team of professionals demonstrates a high level of dedication to the community and region. Their commitment ensures the provision of timely and cost-effective services. District personnel are available 24/7, ready to respond to any unexpected sewer incidents. The office manager plays a vital role in customer service, providing essential information regarding sewer connections and addressing inquiries about service availability.

Lincoln County Sheriff

Greetings,

I am happy to report that in 2024 the staffing level at the Sheriff's Office reached a point that allowed the implementation of a long-budgeted traffic safety position. This position will allow the Sheriff's Office to provide a dedicated traffic law enforcement presence in areas of high crashes and complaints. This work began in 2024, and I am pleased to provide a focused response to a problem I hear from many of you throughout the County.

Additionally, I have assigned a Deputy to the position of Community Resource Deputy. This Deputy's primary focus will be building relationships with those vulnerable populations (elderly, children, mentally ill, substance use disorder, domestic violence etc.) in Lincoln County that are at elevated risk or often subject to crime. I am pleased to report that this work has begun, and it has been met with strong support from those who it is intended to serve. I anticipate that these relationships built will result in a reduction in crime and a County that is safer place for all of us to live.

Both were implemented in 2024 without having to add additional positions.

Also, in 2024 a comprehensive structural assessment of the Sheriffs Office in Wiscasset was conducted. This assessment indicated that our facility that first opened in 1985 would require almost 7.5 million dollars in repairs and renovations to reach current code and building standards. This assessment was the first step by the County Commissioners in determining the viability of maintaining our current facility with repairs and renovations versus constructing a new facility at a different location. You can view this assessment on the County website lincolncountymaine.me.

These discussions will continue in 2025 and I hope that they will not only address the conditions and location of our current facility, but also the size of our facility and if it meets our needs in 2025 and into the future.

I look forward to serving you again in 2025 and want to thank you for the opportunity to serve as your Sheriff.

Please reach out at any time if you have issues or concerns you wish to discuss or if you would like a tour of our facility.

Respectfully submitted,
Todd B. Brackett,
Sheriff

Boothbay Fire Department

To the Board of Selectmen, Town Manager, and citizens of Boothbay, I hereby submit the 2024 Boothbay Fire Department Annual Report from January 1, 2024 to March 5, 2025. This year the Boothbay Fire Department responded to 211 calls which are summarized on the following page.

We had several fundraisers this year, with our first-ever cornhole tournament, and plan on having this be a reoccurring event yearly, as it was a big success and a fun event for the area.

Our Team of Firefighters tackled a year-long bottle drive to help raise funds. Our Team performed several public events demonstrating firefighting activities that we train for, as well as doing public outreach for fire safety. We also have a presence on the common farmers market to help educate the public on fire safety and what the fire department is about. This turned into a very successful event, and we plan on doing it again this year. Public Education was a big target for us this year and we are very pleased with the results. People are asking for more information and our plan this year is to continue with the education as much as possible.

A group of people helped raise awareness of fire and CO alarms and raised enough money to supply 100 smoke alarms for us to distribute. Another group donated 35 propane/CO detectors for us to distribute. We are doing this and supplying education on their use and the importance of them, and having a plan in place if it should alarm for CO or smoke.

We had five Firefighters complete their Basic Firefighter course, adding to our numbers for cleared interior firefighters. This year we have enrolled eight more into Basic Firefighter course and have one currently taking a Firefighter certification course for Firefighter 1&2. Our team has put in hundreds of volunteer hours fundraising to help procure new full rain gear for all our firefighters. This also helped us in combination with the Town to acquire five new interior firefighting turn-out gear complete sets, with Boothbay Hook and Ladder presenting the Town a check for \$1,200.00 to help offset the cost. We currently are applying for several grants to replaced dated equipment, one being our self-contained breathing apparatus for firefighters to wear when entering a hazardous

environment. The total cost to replace what we have is \$250,000. Ours being 2002 version and over 20 years old, we have set this as a priority to get replaced. Our Junior Firefighter program is doing extremely well with several of our area youth involved. Over the years this has given us great team members joining our ranks. We also put online this year a brand-new generator that will fully power Boothbay Fire Station in the event of power outages or other disasters in the area, so there is a warm place for people to go. Many thanks to the Selectman and Town Manager for stepping up when our old generator (made in 1963) had a massive failure in last year's storm season. I personally want to thank our sponsors and our Fire Department Team Members for their dedication to helping keep people safe and supporting the mission of the Fire Department.

Respectfully submitted,
David Pratt, Fire Chief

Harbormaster

The summer of 2024 will be remembered as a beautiful summer weather wise. It was great to see so many people enjoy the Region by water.

The online Mooring Data Base continues to be a great asset for the Town. The system has been updated by the provider and it is even more user friendly. We are now in the tenth year with the online system and it only gets better. I would like to thank all the mooring owners who pay online. When paying your mooring fees, please update your inspection information and email. Remember: mooring fees are due AUGUST 15th every year. If you have email, I will send a reminder, but either way it is the mooring owners' responsibility. The date doesn't change. No exceptions.

The identification of work floats and their owners will continue to be a major focal point in 2025. If you have a work float please make sure you have the required Army Corps of Engineers permit and that your mooring number is on your float and mooring. Please reduce the risk to other boaters by maintaining your work floats. Make sure the floats are secured properly. Old gear that is no longer serviceable should be disposed of properly not left to be washed off the work float in a storm.

Phone calls and e-mails were typical in nature. Skiffs, dinghys, and kayaks missing or adrift top the list. I have stickers at the Town Office for identifying your small craft from the Coast Guard Auxiliary. They have room for your name and contact information. Please come by and pick one up. Several calls were received about vessels tying up too long to the docks at Shipbuilder's Park and Knickercone Bridge Launch Area or gear left for over 48 hours. Owners were contacted. I also conducted several wharf and weir hearings for the town.

There are currently 961 registered moorings in the Town of Boothbay;

| Location | Total |

| Barter's Island | 133 |
| Sawyer's and Hodgdon Islands | 96 |
| Card Cove, Grimes Cove-Ocean Point | 78 |
| Cross River and Rocky Point | 49 |
| Damariscotta River | 219 |
| Linekin Bay | 280 |
| Little River | 101 |
| Outer Islands | 15 |

Due to the damage and destruction caused by the back-to-back winter storms in January 2024, boaters will need to use caution when boating during the summer of 2025. There were numerous docks and piers destroyed in those storms. Parts and pieces will be floating for a long time. Please be especially cautious at night.

The Port Committee meets on the first Thursday of the month as needed at the Town Office. I would like to thank Chuck Fuller, Larry Knapp, Win Russell, and Rusty Court for always being available. No meetings in 2024. I am planning some for fall of 2025.

The Town of Boothbay has two Deputy Harbor Masters. The west is covered by Bradley Simmons: Linekin Bay, Ocean Point, Grimes Cove, Little River, Damariscotta River and the Outer Islands. The east is covered by Michael Leighton: Barter's Island, Cross River, Rocky Point, Sawyer's Island and Hodgdon Island. I would like to thank them both for all their time and efforts.

Boothbay-Boothbay Harbor Cemetery District

For 2024, in addition to regular mowing and trimming our eleven cemeteries, the District improved a portion of Green Landing cemetery by adding loam and seeding a large area. We repaired a fence damaged by a fallen tree at Oak Lawn. We advanced the expansion of Evergreen, clearing and grading the area and awarded the fill, topsoil and hydroseeding contract for the first phase. We expect this phase to be completed early summer 2025.

A reminder that artificial flowers and decorations are only allowed between October 1 and March 31 of each year. Please be sure to remove these items by March 31.

Boothbay Region Ambulance Service (B.R.A.S.)

Our total call volume for 2024:

| | |
|--------------------------|--------------|
| <u>Boothbay</u> - | 344 |
| <u>Boothbay Harbor</u> - | 613 |
| <u>Southport</u> - | 80 |
| <u>Total</u> - | 1,037 |

At the end of 2023, we received a donation from Dr. Paul Schacknow and the Schacknow Family Foundation. This donation has funded 14 brand new AEDs that have been strategically placed with First Responders in Southport, Boothbay, Boothbay Harbor, and also in Lincoln County Sheriff's Office cars. These AEDs are an integral part of the expansion of a new program that B.R.A.S. has embarked on called PulsePoint Respond. This program alerts designated and trained people in the area of a cardiac arrest event who will have an AED with them on a full-time basis, and will respond to a cardiac arrest. In cases like this, time is of the essence, and every second counts. We have launched this program and have made history as THE VERY FIRST EMS AGENCY IN MAINE TO DO SO!!

All EMS agencies in Maine continue to compete for staffing due to a statewide shortage of certified personnel. B.R.A.S. is happy to announce that we are now fully staffed with full time and part time staff. We continue our attempt to stay competitive during these times by having competitive salaries and increased benefit packages. This issue has generated tough financial situations for most agencies including B.R.A.S. We are happy to share that our retention rate has increased. We have worked hard to provide a stellar work environment, updated equipment along with comparable wages and benefits to keep the great staff that we have.

Due to a backlog of ambulance manufacturing, it now takes 24-36 months from the time of order to the time of delivery to obtain a new ambulance. B.R.A.S. has 2 ambulances that need replacement in order to keep our patients and staff safe, and to reduce the high cost of repairs. B.R.A.S. has ordered 2 new ambulances to replace part of our aging fleet. We are happy to say that these ambulances are funded through investment income and donations, so there is no increase to our budget and subsidy requests related to these purchases!

Through a state-funded grant, B.R.A.S. has been able to purchase new equipment that replaces old and obsolete items. The first is electric operated stair chairs. This is a chair that we utilize to bring a patient up and down stairs in their homes safely. The new stair chairs have safety designs in place that benefit both the patient and the EMS personnel, thus reducing the risk of work-related injuries, and the high cost that comes with them. The second is 3 Heimlich Maneuver vests. These vests simulate a choking person with realistic results when the Heimlich Maneuver is performed. Our Community CPR program will be utilizing these vests during the classes. The more people that we can train in CPR, the safer the community is.

B.R.A.S. is looking forward to a great 2025 and what it brings. We are proud to provide the best emergency care to our wonderful citizens and guests here on the peninsula!

Boothbay Harbor Memorial Library

In Boothbay Harbor in 1920, a committee was appointed to establish a World War memorial. Participants discussed the creation of a tablet, but citizens thought that better than a tablet would be “a public memorial that would have usefulness in all the years to come.” That public memorial became the Boothbay Harbor Memorial Library, which opened its doors at 4 Oak Street in 1924. For 100 years, BHML has adapted to the needs of the community, and - after a century of rapid and sweeping changes from cultural to technological - the Library today remains useful and vibrant in its role as a civic anchor.

BHML’s centennial anniversary was marked by visits and honors from State Representative Holly Stover on behalf of the Maine Legislature, Scott Wilkinson on behalf of Senator Angus King, Allyson Cavaretta on behalf of Senator Collins, and the Honorable Shenna Bellows, Maine Secretary of State. On July 11, 2024 the community shared a gorgeous afternoon in celebration of the Library. A hundred cupcakes were baked and served, faces were painted, caricatures were drawn, there was music and games and even Brud’s Hotdog cart (on loan from the Railway Village) was there. For the second year in a row, Boothbay Harbor Memorial Library welcomed record attendance to its free community programs.

As a part of the Minerva Consortium, BHML **provides our residents access to over 60 Maine library collections** via state interlibrary loan service (ILL). During the summer, Maine libraries experienced a two-month ILL shut down as the State renegotiated the delivery service contract. During the shutdown BHML purchased (and responded to requests for purchases) hundreds of books to meet the needs and demands of residents. BHML was minimally impacted by the shutdown, due to our responsive practices and our community’s patience and adaptability.

Despite the shutdown, BHML **circulated 31,929 books** (both physical and digital) down slightly from last year (36,493), demonstrating residents’ use of ILL services. There was a slight increase in WiFi usage to **3,942 wireless sessions**; and a large uptick in **library visits: 37,649** in 2024 vs. 33,246 in 2023. We issued **351 new library cards** to Boothbay Region residents and property owners; Boothbay Harbor Memorial Library is often a first stop for new residents looking to become part of the community.

BHML received a Coastal Maine Regional Broadband grant to purchase two WiFi hotspots and one year of service. The hotspots have been popular, and the Library will continue to circulate them as a part of our community’s “Library of Things.”

Boothbay Harbor Region Chamber of Commerce

The Chamber's 2023-2024 Board of Directors: Michaela Bitterman, Charlie Bamberg, Joanna Breen, Tricia Campbell, Clint Miller, Jaymes Shive, Abby Fessenden, Angela "Gigi" Frost, and Sarah Winchenbach. Julie Roberts served as Board President, Alyssa Allen as Vice President, and Angelo DiGiulian stepped into the role of Treasurer, Jason Denby as Secretary. As some board members reached their term limits or relocated, we were excited to welcome Erin Stodder, Garry Stewart, and Katie Hey to the team in October 2024. Chamber staff: Cindy Mastrella (member services); Ilene Vactor (Guest services); Kjitsen Flores (Marketing Coordinator); Lisa Walby (Executive Director). The Chamber also benefits from many generous volunteers.

We have been hard at work promoting our beautiful region and supporting our vibrant community. Sending **25,000 Region Guides** across New England, the US., and even the UK, thanks to partnerships with the Maine Office of Tourism, Maine Tourism Association, and visitor centers throughout the North East. The Region Guide remains a 'hot commodity,' providing visitors with the tools they need to explore, shop, and dine locally. Our guide is also available digitally on our website. Our **year-round Visitor Center** continues to welcome visitors with free walking maps, guides, and specialty flyers that highlight our members and unique regional offerings. It's not just a place for tourists - locals love it, too!

BoothbayHarbor.com remains the go-to hub (140,000 web visitors) for travel planning, with increased traffic during key planning seasons like winter and early spring. Lodging and retail members reported an uptick in early "shoulder season" visitors in April, as well as during November and December - peak times for our renowned Boothbay Lights events. In addition, our monthly newsletter continues to achieve an impressive 48-50% open rate, reaching more than 7,800 Boothbay Harbor Region fans.

Our signature events bring our community together and attract visitors from near and far: **Claw Down Lobster Bite Competition** and **Fishin' For Fashion Show**. These sold-out events celebrate our restaurants, artisans, and maritime history while also serving as key fundraisers for the Chamber. The **Windjammer Days Street Parade** with over 40 floats and participants, this year's parade celebrated the theme of Shipbuilding. WCSH6 News Anchor Sharon Rose joined as a guest judge, adding an extra sparkle to the festivities.

The Chamber is proud to manage the **Antique Trolley**, an essential asset that enhances accessibility and supports our community. By providing convenient transportation, the trolley helps alleviate downtown parking congestion while ensuring staff, locals, and visitors can easily navigate the downtown.

Boothbay Lights continues to be a shining beacon during the holiday season, drawing visitors to our region at a time when other areas may struggle. Our collaborative efforts include: **Light Up Day**, where volunteers helped construct the Giant Pot Buoy Tree, kicking off six weeks of festivities. Events like the **Early Bird & Pajama Sale, Santa and Friends Meet & Greet**, and the magical **Lighted Boat Parade**. The 1st inaugural **Chili Cook-off**, paired with the **Lighted First Responder Parade**, brought 14 area firehouses, police, and ambulance crews together in a dazzling display of holiday spirit.

Our efforts wouldn't be possible without the support of our members, businesses, and efforts from our towns. By collaborating on events, sharing resources, and championing the unique qualities of our region, we continue to elevate the Boothbay Harbor Region as a premier destination and a beloved place to live, work, and play. As we look to the year ahead, we remain committed to celebrating the best of our region, strengthening our community, and inviting the world to experience this special slice of coastal Maine.

Emergency Management

This past year, Lincoln County suffered a mild storm season. Lincoln County EMA continues to work with municipalities and communities in recovering from the storms and preparing for future weather events and disasters. Through active preparedness and mitigation efforts, you can help reduce the amount of loss during these events. Lincoln County EMA has also been working on some updates within the office, including the hiring of a new Deputy Director, Emma Mckearney, and Preparedness Coordinator, Frank DeMers.

Lincoln County EMA, along with our partners at Lincoln County Regional Planning Commission (LCRPC) and Maine Emergency Management Agency (MEMA), have kicked off a yearlong project of reviewing and updating Lincoln County's Hazard Mitigation Plan. The plan is designed to examine hazards that municipalities in Lincoln County face or have the potential to face; numerous potential hazards are identified by each municipality and Lincoln County. Once these hazards have been identified, they are given context by rating the impact that the hazard has, or may have, on the community and given an explanation on how impactful the hazard may be, including its likelihood of occurring. Collaboration between Lincoln County EMA, LCRPC, MEMA, and municipalities is vital in ensuring the Hazard Mitigation Plan process is thorough and complete. By completing the Hazard Mitigation Plan every five (5) years, Lincoln County municipalities remain eligible to receive pre-disaster mitigation grant funding through FEMA.

Lincoln County EMA, local Emergency Managers, and other stakeholders from the MidCoast area met with the National Weather Service to learn more about the December 2023 and January 2024 storms. What we learned was that, especially in January, all the ‘ingredients’ lined up to create the “Perfect Storm.” Meaning, at the peak high tides of the month, the winds and storm surge were also the highest, and the significant amount of rain added to all the water being moved around. As we know, they were record-breaking storms that caused devastation throughout Lincoln County and the region. What we found surprising was that, even when accounting for sea level rise, the January storms still would have been record-breakers—not by such a significant amount, but they still would’ve topped the charts.

Lincoln County EMA is always recruiting active members for our Community Emergency Response Team (CERT). CERT is a volunteer organization for those living, working, or having an interest in Lincoln County and wanting to serve their community by providing disaster preparedness education and support to emergency services during incidents when resources may be overwhelmed. If you’re interested in learning more, please contact lincoln.county.me.cert@gmail.com. We would love to have you join one of our monthly meetings to get a better understanding of the program.

Lincoln County EMA regularly provides preparedness tips, tricks, information, and safety campaigns on our Facebook, Instagram, X (formally Twitter), and Nextdoor. Give us a follow!

Boothbay Region Historical Society

In 2024, we were grateful for funding from the townspeople of Boothbay and Boothbay Harbor - supporting our mission to promote and preserve the history of the Boothbay region.

We maintained regular hours Thursday-Saturday, from 10am-2pm, and welcomed visitors from near and far. Museum guests enjoyed two exhibits: "The Rice Brothers Collection," showcasing the legacy of Rice Brothers Shipyard through a donation from the late Robert Rice, and "A Look Back: 150 Years of Life in the Boothbay Region," featuring local history through artifacts, photos, and stories. We also assisted numerous researchers with access to our archives.

Community engagement was a key focus in 2024. We awarded a \$1,000 scholarship to a deserving high school senior. Our enhanced e-newsletters now reach 725 subscribers, and our redesigned print newsletter was recently sent to members. Our virtual presence grew with frequent Facebook and Instagram posts, and our YouTube channel now has 10 videos, including our first virtual-only lecture in March. We also hosted three sold-out talks in our Summer Speaker Series and enjoyed collaborations with local organizations such as the Friends of Southport Historical Society, Boothbay Harbor Memorial Library, and Harbor Theater.

Volunteers, trustees, and staff dedicated thousands of hours to priority projects outlined in the 2023 Conservation Assessment for Preservation (CAP) report. Key initiatives included continuing archive digitization, implementing a digital collections management system, and preserving historic artifacts. We also made improvements to the Elizabeth F. Reed house, including electrical and heating upgrades to better serve the public.

We continue to rely on donations, membership dues, retail sales, and grants. This year, we secured two grants: one to begin digitizing historical issues of the Boothbay Register, and another to support operational expenses and programming. Fundraising events like our Spring Sail Raffle, Annual Cheese and Bake Sale, and an event highlighting local female cartographers helped fund our work.

We sincerely thank the townspeople for their ongoing support and for considering our increased funding request to help us continue growing and serving the community at the highest standard.

PO Box 105, Boothbay, Maine 04537 • 633-5006 • www.boothbayrefuse.com

Thank you for your continued support. Without your help, we would not continue to have such a high recycling rate. Recycling helps to keep costs down.

We have seen tremendous increases in cost and unfortunately had to pass the cost on, meaning an increased budget request. Our yearly disposal numbers are with this report. After the early year storm we were inundated with construction material, causing a very busy winter/spring.

We will always look for ways to better serve you!

Boothbay Region Water District

From left to right: Dale Harmon, John Orne, Aaron Durgan, Troy Gauthier, Gage Seavey, Trevor Morin, Shawn Simmons, Weston Alley and Marcia Wilson

2024 was a busy year for the Boothbay Region Water District, with the completion of several long-needed projects, and a large amount of system repairs caused by storm damage in January. Additionally, ever more intrusive, regulatory authorities both in Maine and on the federal level began an onslaught of unprecedented rule and lawmaking, of which the district spent significant resources in attempting to influence these barriers to operation and develop strategies for compliance. In short, 2024 was an eventful year.

During 2024 the district met all state and federal requirements regarding the treatment and delivery of the region's water supply. Equally, the district was able to meet its capital maintenance goals, improving overall district operations and fire protection for the community. Capital improvement projects, and some of the efforts and accomplishments were as follows:

- Performed superior system maintenance resulting in "unaccounted for" water loss rate of less than 10%, which is among the best in Maine.
- Installation of 8" water main into affordable housing development on Alexander Way in Boothbay Harbor.
- Completed expansion of 12" year-round water main extending 700' down Butler Road for housing development.
- Completed construction on the \$4.4 million *Rt. 96 Looping Project*, a project designed to connect East Boothbay to Boothbay Harbor, greatly enhancing fire flow to all towns.
- Awarded \$2,631,000.00 grant/loan funding to design and build the *Filter Wastewater Recycling Project* which will allow the district to remove up to 20MG from its sewer discharge annually and recycle that water into drinking water.

- Awarded \$3,800,000.00 (80% of overall cost) in congressional discretionary spending to combat sea level rise/saltwater intrusion in private wells on Southport.
- Continued to pursue grant funding for those in-process.
- Completed three small seasonal water main extensions equaling 2,000 feet of new water main.
- Added 26 new customers.

In May, the voters of Boothbay re-elected Clerk Kevin Anthony and Treasurer Nell Tharpe. Southport re-elected Chairman Gerry Gamage and, Vice-Chairman Smith Climo. The remaining board members included David Tibbetts (Boothbay Harbor), Merritt Blakeslee (Boothbay Harbor), and Rep. Holly Stover (Boothbay).

Looking ahead to 2025, efforts include:

- Continue to apply for available grant funding in this unprecedented era of incredible federal funding opportunities.
- Begin the *Wastewater Recycling Project* at the Adams Pond Treatment Plant Complex.
- Begin construction of replacing 1.5 miles of seasonal water main going south from the Southport General Store with 16" HDPE year-round water main.
- Continue emphasis on leak detection, equipment maintenance and unequaled performance through unmatched training and emphasis on the district's positive work culture.

The Boothbay Region Water District Board of Trustees meets the 2nd & 4th Tuesday of every month at 6:00 p.m. during Daylight Saving Time and 7:00 p.m. during Standard Time at the district administrative office, located at 184 Adams Pond Road, Boothbay Maine. The Board of Trustees values the public's opinion and encourages the public to attend. For further information concerning projects, minutes, and other pertinent information concerning the operation of the district, the public is invited to access the district's web page at www.bbrwd.org.

Respectfully submitted,
Weston Alley,
General Manager

INDEPENDENT AUDITORS' REPORT

Board of Selectmen
Town of Boothbay
Boothbay, Maine 04537

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Boothbay, as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Town of Boothbay's basic financial statements as listed in the Table of Contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, and each major fund of the Town of Boothbay as of June 30, 2023 and 2022, and the respective changes in financial position, and where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Boothbay, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Boothbay's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town of Boothbay's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Boothbay's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Boothbay's basic financial statements. The fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Town of Boothbay's financial performance provides an overview of the Town's financial activities for the year ended June 30, 2023. Please read it in conjunction with the Town's financial statements provided by our independent outside auditors, William H. Brewer, C.P.A.

This annual report consists of a series of financial statements. The Statement of Net Position (Exhibit A) and the Statement of Activities (Exhibit B) provide information about the activities of the Town as a whole and present a longer-term view of the Town's finances. Fund financial statements start with Exhibit C. For governmental activities, these statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the Town's operations in more detail than the government-wide statements by providing information about the Town's most significant funds. The fiduciary fund financial statements provide information about activities for which the Town acts solely as a trustee for the benefit of those outside of the government.

Reporting on the Town as a Whole

The Statement of Net Position (Exhibit A) and the Statement of Activities (Exhibit B)

The Statement of Net Position and the Statement of Activities report information about the Town as a whole. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Town's net position and changes in it. The Town's net position, the difference between assets and liabilities and deferred inflows, is one way to measure the Town's financial health or financial position. Over time, increases or decreases in the Town's net position are one indicator of whether its financial health is improving or deteriorating. Other non-financial factors, however, such as changes in the Town's property tax base and the condition of the Town's infrastructure, need to be considered to assess the overall health of the Town.

In these government-wide statements, the Town's activities are reported in one category:

Governmental Activities – Most of the Town's basic services are reported here, including fire, general administration, roads, and recreation. Auto excise taxes, franchise fees, fines, state revenue sharing, and state and federal grants finance most of these activities.

Reporting on the Town's Most Significant Funds

The fund financial statements provide detailed information about the significant funds, but not on the Town as a whole. Some funds are required to be established by State law or by bond covenants. Additionally, the Board of Selectmen and management establishes other funds to help control and manage money for particular purposes.

Governmental Funds – The Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial resources that can readily be converted to cash.

The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. The relationship between governmental activities and governmental funds is reconciled in Exhibits C and D.

Fiduciary Funds – The fiduciary fund financial statements report on activities for which the Town acts as a trustee. These activities are excluded from the Town's other financial statements because the Town cannot use these assets to finance its operations. The Town is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

Governmental Activities

This section will show a condensed financial comparison of revenues and expenses and provide explanations for significant differences.

To aid in the understanding of the Statement of Activities some additional explanation is given. Of particular interest is that the format is significantly different than the Statement of Revenues, Expenditures, and Changes in Fund Balance. Expenses are listed in the first column with program revenues attributable to that particular function being reported to the right. The result is a Net (Expense)/Revenue. The reason for this type of format is to highlight the relative financial burden of each of the functions on the Town's taxpayers. It also identifies the amount each function draws from the general revenues.

| | |
|--------------------|--|
| General Government | Charges for Services include revenue from licenses, permits and fees. Operating Grants and Contributions are unrestricted donations to the Town. |
| Public Safety | Charges for Services are mooring permits and dog licenses. Operating Grants and Contributions are grant monies received for the fire department. |
| Public Works | Operating Grants and Contributions are grant monies received through the Local Road Assistance Program. |
| General Assistance | Operating Grants and Contributions are State of Maine reimbursements for general assistance expenditures the Town incurred. |

All other governmental revenues are reported as General Revenues. It is important to note that all taxes are classified as general revenue even if restricted for a specific purpose.

Statement of Net Position Information

The Town's current General Fund Balance is \$3,202,500. This amount is composed of nonspendable, restricted, and unassigned components.

The Town's General Fund is improving after many years of decline. There were a number of reasons attributed to the decline and most of those have been corrected over the past few years. In previous years, expenditures have been made that were spent out of the unassigned fund balance and not replenished. This practice has been completely eliminated and reversed. Expenditures in excess of appropriations were recognized at Town Meeting and surplus was added to the General Fund. The concerted effort in the next few years to replenish the General Fund must continue for a few more years. The Selectmen have established a policy to maintain 18.75% of appropriation or a three-year plan to replenish the funds. The positive year, this year, will bring us within 50% of that goal. Budgeting expenditures and revenues has also been closely scrutinized for better accuracy. This effort will continue and even be refined. Conservative estimates will create surpluses and funds will lapse back to the general fund.

The unassigned portion of the fund balance is the most crucial for the Selectmen to monitor. The unassigned balance as of June 30, 2023 was \$3,138,198. Compare that to June 30, 2022, when the unassigned balance was \$2,653,428. The Town increased the unassigned fund balance by 18.27%. This was due to the combination of excess revenues over expenditures and the using of capital improvement reserve funds to off-set capital outlays. If the town continues this trend the fund balance will be fully restored in a few years. The benefits are already being enjoyed by the Town. A Tax Anticipation Note was not required this year and cash flow is fully capable of fulfilling expenditures timely. The Town will continue to implement the three-year UDF replacement plan.

Tax Increment Financing (TIF)

With the creation of TIF #3, all three TIF funds are being accounted for separately. We identify the two different TIF agreements, with Washburn Doughty and Boothbay Commercial District as separate and independent TIF programs. The TIF funds will be clearly differentiated from the rest of the General Fund. No projects are projected for funding this year, but in 2024 we will be utilizing the TIF funds to make improvements to Butler Road. A concerted effort to rebuild the TIF fund balance will continue in the next few years.

General Fund Budgetary Highlights

The adoption of the Internal Control and Procedures Policy in 2013 led to very stable and predictable activity in the General Fund. Segregation of duties has established procedures which creates checks and balances. These checks and balances provide stability to revenue and expenditure recording and predictability to projections. Monthly reconciliation is also much more predictable and thorough.

Capital Assets

As of June 30, 2023, the Town had net capital assets of \$10,498,737.

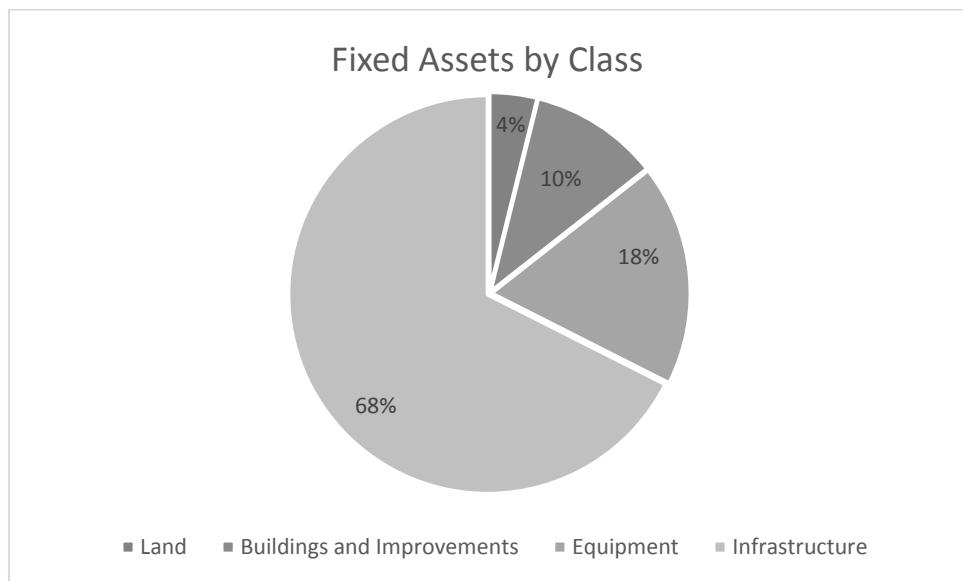

For the years ended June 30, 2023 and 2022 capital asset comparisons are as follows:

| | 2023 | 2022 |
|------------------------------|----------------------|---------------------|
| Beginning Net Capital Assets | \$ 7,497,137 | \$ 7,138,087 |
| Net (Decrease) Increase | 3,001,600 | 359,050 |
| Ending Net Capital Assets | <u>\$ 10,498,737</u> | <u>\$ 7,497,137</u> |

The Town's capital assets showed an increase in value for the year ending June 30, 2023 due to the Clifford Park Improvements.

The chart below depicts the Town's assets by their share of the total.

Chart 5

Debt Administration

At year-end the Town's general obligation bonds had a balance of \$915,000. This bond financed the Route 27 improvement project.

The only long-term liabilities that the Town is obligated for is the value of accrued compensated absences for Town employees. This amounts to \$40,819 as of June 30, 2023.

Economic Factors and Next Year's Budgets and Tax Rates

Property values are still a very important topic in the Selectmen's Office. Property values are a key component in determining the tax rate. The next largest component is spending. The final piece of the formula is revenues. To the extent possible, the Selectmen have been able to control spending for Town services. However, the cost of Education and the County Tax continue to rise at an alarming rate. The economic downturn has severely reduced Federal and State spending. The term Reduced Spending translates to reduced revenues to the Town of Boothbay. The reduced revenues to the Town of Boothbay means an increased burden on the property tax to support local government, local roads, education, and the Town's share of County government. Your Selectmen have worked diligently to review and modify all areas of spending, purchasing and revenues to wring out whatever savings we can for you, the taxpayer.

Contacting the Town's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town Manager's Office at 7 Corey Lane, Boothbay, Maine, or by phone at (207) 633-2051.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Town of Boothbay conform to generally accepted accounting principles as applicable to governmental units.

1. Financial Reporting Entity

The Town of Boothbay, incorporated in 1764, currently operates under a Board of Selectmen form of government with a Town Manager as the Chief Administrator of the Town. The Board consists of five members elected by the registered voters for three year staggered terms. The financial statements of the Town conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is responsible for establishing Generally Accepted Accounting Principles (GAAP) for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) (when applicable) that do not conflict with or contradict GASB pronouncements. The more significant accounting policies established in GAAP and used by the Town are discussed below.

In evaluating the Town of Boothbay as a reporting entity, management has addressed all potential component units for which the Town may or may not be financially accountable and, as such, be includable within the Town's basic financial statements. In accordance with GASB, the Town (the primary government) is financially accountable if it appoints a voting majority of the organization's governing board and (1) it is able to impose its will on the organization or (2) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the Town. The Town also is financially accountable for organizations that are fiscally dependent on it and if there is a financial benefit or burden relationship. Additionally, the primary government is required to consider other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's basic financial statements to be misleading or incomplete. Based on the application of these criteria, there are no other entities within the Town that should be included as part of these financial statements.

2. Basic Financial Statements - Government-Wide Statements

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as governmental. The Town's public safety, recreation, public works, and general administrative services are classified as governmental activities.

In the government-wide Statements of Net Position, the governmental column is presented on a consolidated basis by column, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net position are reported in three parts - invested in capital assets; restricted; and unrestricted. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statements of Activities reports both the gross and net cost of each of the Town's functions and business-type activities (public safety, public works, administrative, etc.). The functions are also supported by general government revenues (property, certain intergovernmental revenues, fines, permits, and charges, etc.). The Statements of Activities reduces gross expenses (including depreciation) by related program revenues, and operating and capital grants. Program revenues must be directly associated with the function (public safety, public works, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

2. Basic Financial Statements - Government-Wide Statements (Cont'd)

The net costs (by function or business-type activity) are normally covered by general revenue (property, intergovernmental revenues, interest income, etc.).

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net position resulting from the current year's activities.

3. Basic Financial Statements - Fund Financial Statements

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Town:

a. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

1. General Fund:

General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Capital Reserves:

Capital Reserves are used to account for financial resources to be used for the acquisition or construction of major capital facilities and equipment.

Additionally, the Town reports the following fund type:

Fiduciary Funds:

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support Town programs. The reporting focus is on net position and changes in net position and are reported using accounting principles similar to proprietary funds.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Nonmajor funds by category are summarized into a single column. GASB No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category) for the determination of major funds.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

3. Basic Financial Statements - Fund Financial Statements (Cont'd)

Fiduciary Funds (Cont'd):

The Town's fiduciary funds are presented in the fiduciary fund financial statements. Since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

4. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied:

a. Accrual:

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

b. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e. both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

5. Financial Statement Amounts

a. Cash and Cash Equivalents:

The Town has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Statutes authorize the Treasurer of the Town, as directed by the municipal officers, to invest all municipal funds, including reserve and trust funds, to the extent that the terms of the instrument, order, or article creating the fund do not prohibit the investment in financial institutions as described in Section 5706 MRSA and securities as described in Sections 5711 through 5717 MRSA.

b. Accounts Receivable:

Receivables include federal grants, state subsidies, town assessments and reimbursements. Based on prior year collections, management has determined that an allowance for doubtful accounts is not considered necessary at June 30, 2023.

c. Inventory:

Fuel inventory is valued at cost and consists of gas and diesel purchased for internal use and resale to local governmental entities.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

5. Financial Statement Amounts (Cont'd)

d. Capital Assets:

Capital assets purchased or acquired with an original cost of \$1,000.00 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

| | |
|-------------------------|-------------|
| Buildings | 20-50 Years |
| Machinery and Equipment | 5-10 Years |
| Improvements | 10-20 Years |
| Other Infrastructure | 10-50 Years |

e. Revenues:

Substantially, all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues, the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

f. Expenditures:

Expenditures are recognized when the related fund liability is incurred. Inventory costs are reported in the period when inventory items are used, rather than in the period purchased.

g. Compensated Absences:

The Town accrues accumulated unpaid vacation and sick leave and associated employee-related costs when earned (or estimated to be earned) by the employee. The noncurrent portion (the amount estimated to be used in subsequent fiscal years) for governmental funds is maintained separately and represents a reconciling item between the fund and government-wide presentations.

h. Use of Estimates:

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

5. Financial Statement Amounts (Cont'd)

i. Fund Balance:

In accordance with GASB Statement No. 54, the Town employs terminology and classifications for fund balance items as follows:

Nonspendable fund balances includes amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact.

Restricted fund balances represent those portions of fund equity that have externally enforceable legal restrictions.

Committed fund balances are amounts that can be used only for specific purposes because of a formal action taken by town government. The fund balances in the Capital Projects Fund are in this category.

Assigned fund balances are amounts that the Town intends to use for specific purposes. The Board of Selectmen approved carryovers are included in assigned fund balances.

Unassigned fund balances are all amounts in the General Fund that are not assigned to another category. Only the General Fund can have an unassigned fund balance.

j. Interfund Receivables/Payables:

Interfund receivables and payables arise from interfund transactions and are recorded by all funds affected in the period in which the transactions are executed.

6. Implementation of New Accounting Standards

- a. Statement No. 94, "Public Private Partnerships" is effective for the fiscal year ending June 30, 2023. The primary objective of this statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs). As used in this statement, a PPP is an arrangement in which a government (the transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital asset (the underlying PPP asset), for a period of time in an exchange or exchange-like transaction. Management has determined that this statement is not applicable.
- b. Statement No. 96, "Subscription-Based Information Technology Arrangements" is effective for the fiscal year ending June 30, 2023. This statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset – an intangible asset - and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. To the extent relevant, the standards for SBITAs are based on the standards established in Statement No. 87, Leases, as amended. Management has determined that this statement is not applicable.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

6. Implementation of New Accounting Standards (Cont'd)

- c. Statement No. 99, "Omnibus 2022" portions of the Omnibus 2022 is effective for the fiscal year ending June 30, 2023 and portions are effective for the fiscal year ending June 30, 2024. The objectives of this statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. Management has determined that some portions of this statement will be applicable.

7. Future Accounting Pronouncements

- a. Statement No. 93, "Replacement of Interbank Offered Rates" is effective for the fiscal year ending June 30, 2024. The objective of this statement is to improve guidance regarding the governments that have entered into agreements in which variable payments made or received depend on an interbank offered rate (IBOR) - most notably, the London Interbank Offered Rate (LIBOR). As a result of global reference rate reform, LIBOR is expected to cease to exist in its current form at the end of 2021. The objective of this statement is to address those and other accounting and financial reporting implications that result from the replacement of an IBOR. Management has determined that this statement is not applicable.
- b. Statement No. 99, "Omnibus 2022" portions of the Omnibus 2022 is effective for the fiscal year ending June 30, 2023 and portions are effective for the fiscal year ending June 30, 2024. The objectives of this statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. Management has determined that some portions of this statement will be applicable.
- c. Statement No. 100, "Accounting Changes and Error Corrections" is effective for the fiscal year ending June 30, 2024. The primary objective of this statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. Management has determined that this statement is applicable based on certain circumstances that change from year to year.
- d. Statement No. 101, "Compensated Absences" is effective for the fiscal year ending June 30, 2025. The objective of this statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. Management has determined that this statement will not be applicable.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

8. Subsequent Events

On November 8, 2023, the Town of Boothbay awarded a contract for a water and sewer project on Butler Road for \$2,096,955. Construction on the project started in February of 2024.

Heavy storms at the end of February caused damage that the Town of Boothbay estimated to require \$3.2 million in repairs. On March 27, 2024, a special town meeting was held containing an article authorizing the issuance of a bond for up to \$3.2 million for repairs for the damages. To date, no debt has been issued.

NOTE B - CASH:

At year-end the carrying amount of the Town's deposits (checking, certificates of deposit, and savings accounts) was \$5,426,872.51 and the bank balance was \$5,582,800.13. Of the bank balance, \$250,000.00 was covered by federal depository insurance; \$4,697,355.53 was collateralized with funds held by the pledging bank's trust department, not in the Town's name; and \$635,444.60 was uncollateralized.

NOTE C - GENERAL FUND BUDGET:

At the annual town meeting, held in May of each year, the townspeople vote on various articles that become the appropriations for the following fiscal year. The Board of Selectmen present their budget in the form of warrant articles for the townspeople to approve at the annual town meeting. Budgets are adopted for the general fund only on a basis consistent with accounting principles generally accepted in the United States of America. Formal budgetary integration is employed as a management control device during the year for the general fund. The budget is presented on the modified accrual basis of accounting, which is consistent with U.S. generally accepted accounting principles.

NOTE D - DESIGNATED FOR SUBSEQUENT YEARS' EXPENDITURES:

Historically, the townspeople vote to allow the Board of Selectmen to carry certain departmental unexpended balances forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

|--------------------|-----------------------------|
| Prepaid 2023 Taxes | \$ 25,782.37 |
| Suspense | <u>342,929.97</u> |
| | <u><u>\$ 368,712.34</u></u> |

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE F - REVENUE RECOGNITION - PROPERTY TAXES:

The Town's property tax for the current year was levied July 13, 2022 on the assessed value listed as of April 1, 2022 for all real and personal property located in the Town. One half of the total tax was due August 19, 2022 with the balance due February 10, 2023. Interest of 4.0% was charged on delinquent taxes on the unpaid portion of one-half of the tax bill not paid on or before August 20, 2022, and on the entire portion not paid on or before February 11, 2023.

Tax liens are placed on real property within twelve months following the tax commitment date if taxes are delinquent. The Town has the authority to foreclose on property eighteen months after the filing of the lien if tax liens and associated costs remain unpaid. Property acquired by foreclosure for non-payment of taxes is recorded at the amount of expired tax liens. Liens and any current taxes on the same period are not included as part of the tax acquired property account until expiration of statutory time limits.

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized only to the extent it will be collected within 60 days following the year end. The deferred tax revenue shown on the balance sheet represents property taxes not expected to be collected within 60 days after the year end.

Property taxes are recognized when they become available. Available includes those taxes expected to be collected within 60 days after the year end as stated above. Delinquent taxes are considered fully collectible and therefore no allowance for uncollectible taxes is provided.

NOTE G - PENSION PLAN - DEFINED CONTRIBUTION:

The Town of Boothbay offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 401(a) money purchase plan through the International City Management Association Retirement Corporation.

The deferred compensation plan is available to all employees of the Town. Under the plan, employees may elect to defer a portion of their salary and avoid paying taxes on the deferred portion until the withdrawal date. The deferred compensation amount is not available for withdrawal by employees until termination, retirement, death, or unforeseeable emergency. The Town's computed contribution to this plan for the year ended June 30, 2023 was \$55,531.64 and the employees contributed \$31,411.39. Assets of the plan are placed in trust for the exclusive benefit of participants and their beneficiaries. Accordingly, the assets and the liability for the compensation deferred by plan participants, including earnings on plan assets, are not included in the Town's financial statements.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE J - COMPENSATED ABSENCES:

The Town allows employees to accumulate up to 50 days in unused sick leave. Vacation time may accumulate up to a maximum of 25 days or 200 hours or more at the discretion of the town manager. Upon separation or retirement, the Town will pay the employee a maximum of 15 days for unused vacation and 100 hours of their unused sick leave.

As of June 30, 2023, the accrued vacation and sick leave was \$40,818.83. The amount expected to be paid from current resources is not significant.

NOTE K - RISK MANAGEMENT:

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All significant losses are covered by commercial insurance. There has been no significant reduction in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

NOTE L - OVERLAPPING DEBT:

The Town of Boothbay is situated in Lincoln County and is therefore subject to annual assessment of its proportional share of county expenses. Long-term debt outstanding in Lincoln County, for which the Town of Boothbay would be proportionally responsible in the event the County defaulted, amounted to \$1,978,250.00 at June 30, 2023. The Town of Boothbay's share would be 12.45% of the debt, or approximately \$246,266.00.

The Town of Boothbay is a member of the Boothbay-Boothbay Harbor Consolidated School District and is therefore subject to annual assessment of its proportional share of school expenses. Long-term debt outstanding for the Boothbay-Boothbay Harbor Consolidated School District, for which the Town of Boothbay would be proportionally responsible in the event the District defaulted, amounted to \$5,947,438.00 at June 30, 2023. The Town of Boothbay's share would be 67.66% of the debt, or approximately \$4,024,037.00.

NOTE M - TAX INCREMENT FINANCING DISTRICT:

Washburn & Doughty Municipal Development and Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to Washburn & Doughty Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a twenty-year period to expire June 30, 2031. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

The Town established the Washburn & Doughty Municipal Development and Tax Increment Financing District at the annual town meeting held on May 4, 2009. The agreement was for improvements made to 7 and 8 Enterprise Street. During the following twenty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating seventy five percent (75%) of the incremental municipal tax increment revenues to the Company pursuant to a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE M - TAX INCREMENT FINANCING DISTRICT (CONT'D):

The Real Property Captured Tax Increment Revenues shall be calculated based on real property values in excess of the Town's valuation of the District as of July 12, 2008 (\$385,000.00). The Company increment portion will be used by the Company either to pay costs of the project directly or to pay debt service used to finance the project. The project costs financed by the Real Property Captured Tax Increment Revenues will represent only a portion of the total costs of the project. All additional costs of the Company in respect of the project will be the responsibility of the Company. After twenty years, the Company will have no further right to the Company Increment Portion, and it will form part of the Town's general revenues.

Omnibus Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to the Route 27 Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a thirty year period to expire June 30, 2044. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

The Town established the Omnibus Municipal Development and Tax Increment Financing District at the annual town meeting held on May 5, 2014. The agreement was for improvements made to the Route 27 corridor. During the following thirty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating all of the incremental municipal tax increment revenues to the Town's reserves or to developers in the form of a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

The Real Property Captured Tax Increment Revenues shall be calculated based on real property values in excess of the Town's valuation of the District as of July 22, 2014 (\$14,596,200.00). The town has the ability to enter into credit enhancement agreements with the individual developers of property within the district during the term of the development program. The Company increment portion will be used by the Company either to pay costs of the project directly or to pay debt service used to finance the project. The project costs financed by the Real Property Captured Tax Increment Revenues will represent only a portion of the total costs of the project. All additional costs of the Company in respect of the project will be the responsibility of the Company. After thirty years, the Company will have no further right to the Company Increment Portion, and it will form part of the Town's general revenues.

Under all three agreements, all remaining municipal tax increment revenues on retained captured asset value from the District will be used to pay costs of road and related improvements on the adjoining Town owned land within the District, improvements to School Street, fire station improvements in the District and other project costs described in 30-A M.R.S.A. §5252(8) and has to be approved by the board of selectmen.

Governor

Dear Maine Resident:

I have always been guided by the belief that to strengthen our state, we have to invest in our greatest asset: the people of Maine. With the support of the Legislature, my Administration has been investing in what people need to succeed, like job training, child care, health care, education, broadband, and housing.

We are seeing results - small businesses are expanding their operations; people are moving here to work and raise their families; and graduates are staying in Maine to pursue rewarding, life-long careers. These are all encouraging signs that are reflected in the strength of our economy. In fact, Maine has one of the best rates of economic growth in the nation.

That's good news, but I know that not everyone is feeling the benefits of our strong economy. The cost of living in Maine, as in much of America, is too high. The price of fuel, the cost of supplies, utilities and labor have driven up expenses for families across the country and impacted the budgets of towns, counties and nearly every state, including Maine.

I want everyone to benefit from the availability of good jobs, a good public education, and good health care in our state. That is why I have put forward a balanced budget proposal that proposes some savings and certain targeted revenue increases to maintain things we all support, like the state paying 55 percent of the cost of education and 5 percent municipal revenue sharing, to keep all these costs from being passed along to property taxpayers.

We have made good progress over the past six years to ensure that every person in Maine can find a good-paying job in a rewarding and stable career; go to the doctor when they feel sick because they have health insurance; and have the peace of mind that their children are safe at home and at school.

I look forward to working with communities and citizens across the state to solve problems, manage our finances, and keep our people healthy and safe.

Sincerely,
Janet T. Mills,
Governor

State Senator

Dear Friends and Residents of Boothbay,

Thank you for the opportunity to continue serving as your State Senator. I'm proud to represent our communities in Augusta, and I will work hard to represent us well.

On Wednesday, December 4, 2024, I was sworn in to the 132nd Maine State Legislature. The following week, I received my committee assignments. I'm excited to share that I have been appointed to serve on the Appropriations and Financial Affairs Committee, which is a role I take seriously. I will work hard to ensure that state resources are used responsibly. I am also continuing to serve on the Joint Standing Committee on Marine Resources.

This area means a lot to me. This is where I grew up and where I have chosen to raise my own family. In strong communities like ours, people look out for each other and understand that everyone needs a little help sometimes. For that reason, I have spent my career as an educator and community advocate, and I'm happy to report those communication and problem-solving skills have been useful while working in Augusta on your behalf. I look forward to continuing to put these skills to work for you.

The Legislature is currently in session and will continue to meet regularly. Remember that I am a resource for you all year. If you need help contacting a state agency, or want to share a comment or concern, please don't hesitate to reach out.

You can send me an email at *Cameron.Reny@legislature.maine.gov* or call my Senate office at (207) 287-1515. My cell phone number is (207) 400-9910. Life is rarely easy, but it seems harder than usual right now. Everyone needs help sometimes so please don't be afraid to ask. After all, I'm here to serve you.

Warmly,
Cameron Reny, Senator
Senate District 13

State Representative

Dear Neighbors:

It is an honor to have the opportunity to serve you in the Maine House of Representatives. Over the next two years, I will work hard as your advocate in Augusta to make life better for everyone in our district and in our state.

As I write this, the first session of the 132nd Legislature is just getting underway. We have a lot of work ahead of us, which will include doing more to lower costs for Maine families, build an economy that works for everyone, increase access to housing and health care, and more. I'm looking forward to working with all of my colleagues to tackle these challenges head-on.

Our most significant priority will be approving a balanced two-year state budget, which will shape the direction of our state in the near future. I will be fighting to ensure that the budget includes policies that will provide relief and make it easier for more Maine families to build their lives here and make ends meet. I will also continue to advocate for improved health care access, including mental health care and substance use treatment options.

This session, I have been appointed to serve on the Legislature's Appropriations and Financial Affairs Committee, which is responsible for crafting measures related to the state budget. I am glad to have the opportunity to bring more than three decades of experience in public service, including my time working in child welfare, violence prevention, child and adult mental health, and substance use prevention, to my work on this critically important committee.

Please feel free to contact me if you ever need my assistance or if you would like to discuss any of the issues before the Legislature. I also send out monthly e-newsletters that provide updates on our work at the State House and offer helpful information and resources. Please let me know if you would like to receive them.

I am so grateful to be entrusted with this great responsibility, and I look forward to connecting with you over the next two years.

Sincerely,
Holly B. Stover,
State Representative

U.S. Senator

Dear Friends,

Each year comes with renewed hope — to celebrate each other's successes and care for each other in times of need. I am thankful to each town in Maine for their commitment to their communities, to their citizens, and to this country. We always work together to get things done. This past year was no different.

First, it was a true honor to be reelected to the United States Senate for another six-year term. Throughout my travels around the state, I heard many concerns about the cost of living and affordability of housing. Many of you also shared your concerns about access to medical and mental health services. The *Inflation Reduction Act* has been incredible for older people in Maine — Medicare is finally negotiating lower prices for prescription drugs, on top of the \$35 per month cap for insulin that took effect in 2023. We have an opportunity to build on what we have in common and do what Maine people do best; we will continue to help each other and lead through example.

I have also been consistently working to help our veterans. My team has repeatedly been successful in securing long-overdue recognition of military medals for many of Maine's combat veterans and working to resolve issues with claims, travel pay, and access to healthcare and benefits our veterans earned through their selfless service to our country. I have also worked with my Veterans Affairs and Defense partners in Washington to successfully pass a national defense bill that strengthens our national security, takes care of our service members, and supports Maine businesses from Aroostook to York County.

I am also thankful to have such an incredible team across Maine available to you for hurdles you may face with the federal government. Whether it be veteran issues, social security problems, student loans, immigration, IRS and more, please never hesitate to reach out to my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow us the chance to be part of your solutions.

Together, over the next six years, I know we can continue to build a stronger, brighter future for our great state. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you — it is a pleasure to know you. Mary and I wish you a happy and safe 2025.

Best Regards,
Angus S. King, Jr.,
United States Senator

U.S. Senator
Washington, DC

Dear Friends:

It is an honor to represent Maine in the United States Senate, and I welcome this opportunity to share several key accomplishments for our state from the previous year.

As Vice Chair of the Appropriations Committee, I have secured nearly \$580 million for 230 projects across all of Maine's 16 counties to promote job creation, workforce training, and economic development; expand access to health care; support law enforcement; improve public education and infrastructure; and protect our environment. As the new Congress begins, I am honored to be taking the helm of the Committee, the first Mainer to do so in nearly a century, and I remain committed to ensuring that federal spending produces real results for our state and nation.

Maine has the oldest average age in the country, which is why I have long prioritized health-focused legislative efforts. There were more than 1,860 health care bills introduced during the 118th Congress. Only 15 health care bills were signed into law, and I was a lead sponsor of five of them. These bills will enhance care for individuals with Alzheimer's, autism, and substance abuse issues through improved research funding, strengthened public health programs, and increased support for rural first responders.

Another important bill that I coauthored was the *Social Security Fairness Act*. Since 2003, when I led the first-ever Senate hearing on the Windfall Elimination Provision and the Government Pension Offset, I have sought to end these provisions of the *Social Security Act* that unfairly reduce the Social Security benefits that public employees or their spouses have earned. I am pleased to say that with the passage of my bill, the *Social Security Fairness Act*, in December, public sector retirees will now receive the full Social Security benefits they have earned.

When the Maine way of life was under threat, I was certain to defend the interests of our state. I worked to protect Maine's potato farmers when the Department of Agriculture tried to reclassify the potato from a vegetable to a grain. I thwarted efforts to consolidate USPS mail operations at the Hampden postal facility, which would have disrupted mail delivery throughout our state. I sounded the alarm with leaders at the FBI and Departments of State and Treasury on the spate of illicit marijuana growing operations that are destroying properties and providing refuge to foreign criminals in our state. Following damage to our working waterfronts after last winter's storms, I secured \$15 million to help fishing communities recover. I championed funding to support the Maine Air National Guard base, Bath Iron Works, and Portsmouth Naval Shipyard.

As of last December, I have cast more than 9,100 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997. My ranking as the most bipartisan Senator reflects Maine's tradition of working with a spirit of cooperation and respect.

My highest priority as a Senator is to ensure that Maine's needs are met. If ever I can be of assistance to you, please contact one of my state offices or visit my website at collins.senate.gov.

Sincerely,
Susan M. Collins,
United States Senator

U.S. Representative

Dear Friends,

As we welcome the New Year, I want to extend my sincerest well wishes for 2025: to you, your loved ones, and your community. I'd also like to share an update on what my team and I have been working on - and how we intend to continue serving Maine's First District in the next Congress.

One year ago, our state was reeling from a series of unprecedented winter storms. Thanks to the efforts of local, state, and federal officials, we're starting to rebuild. The Federal Emergency Management Agency and the Small Business Administration approved more than \$10.7 million in federal assistance for Maine households, businesses, and homeowners in the months following the storms. In addition, Maine received a \$69 million grant from the National Oceanic and Atmospheric Administration to support the climate-resilience goals outlined in *Maine Won't Wait*. More help is needed, no doubt, and I will continue to advocate for the support our state deserves. For more information about available resources, go to Pingree.house.gov/disasterresources.

In 2024, \$1.7 billion in federal grant funding came to Maine - encompassing everything from conservation efforts and home-heating assistance to resilient infrastructure and affordable housing. My team was able to secure \$1.4 million in refunds for Maine taxpayers, along with \$639,000 in Social Security benefits. We also helped thousands of constituents file for work permits, veterans benefits, and passports, and wrote countless letters of support on behalf of our constituents.

I'm so proud of what we achieved in 2024, and I'm fully committed to building on those accomplishments in the 119th Congress. As ever, my team and I are ready to assist however we can. Please don't hesitate to reach out to my Portland office at (207) 774-5019, or by visiting pingree.house.gov/contact. We're also happy to provide information related to Congress's annual Community Project Funding (CPF) process, which allows nonprofits and local governments to apply for federal funding for specific projects. For more info, go to Pingree.house.gov/communityprojectfunding.

I'm deeply honored that voters have chosen me to represent them once again in the U.S. Congress. It is a responsibility I will never take lightly - and a privilege I will always cherish.

Sincerely,
Chellie Pingree,
Member of Congress

RESULTS - TOWN OF BOOTHBAY

Special Town Meeting

March 27, 2024

Pursuant to the foregoing warrant the inhabitants of the Town of Boothbay met at the Town Office, located at 7 Corey Lane in the Town of Boothbay and gave their voice as follows:

Article 1. To choose a Moderator to preside at said meeting. Melissa Balducci was elected Moderator and duly sworn in by the Town Clerk in open meeting. The Clerk declares the polls are open.

Article 2. To see if the Town will vote to (a) authorize the borrowing of up to \$3,200,000 through the issuance of general obligation bonds or through a loan from a banking institution, on a taxable or tax-exempt basis, for the purpose of financing the planning, engineering, design, permitting and construction of emergency road repairs as a result of recent severe coastal flooding and storm damage on, but not limited to, Shore Road, King Philipps Trail, Samoset Road and Grimes Cove, as the Select Board deems to be in the best interest of the health, safety and welfare of the Town, with the method of borrowing, dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Select Board; and (b) appropriate an amount not to exceed \$1,500,00.00 from Unassigned Fund Balance (surplus) to pay for the immediate costs of the foregoing emergency road repairs to be refunded with the proceeds of said borrowing, plus any amount necessary to fund the interest payments on the borrowing and any costs of issuance related to the borrowing, all of which emergency road repair costs are expected to be reimbursed through emergency relief funds received by the Town from State, County and/or federal agencies.
(Note: The borrowing to be issued will include a maximum principal amount of \$3,200,000. The total estimated debt service is \$3,727,238.81, of which principal is \$3,200,000 and estimated interest at a rate of 5.82% over 5 years is \$527,238.07.)
***Voted to accept the Article.**

Article 3. To see if the Town will vote to (a) ratify the appropriation of up to \$1,500,000 of available Tax Increment Financing Revenue in the current fiscal year (July 1, 2023 – June 30, 2024) for the purpose of funding the costs of design, engineering, planning and construction of sewer and water infrastructure along Country Club Road and Butler Road and related public street improvements in connection with development in the Boothbay Commercial Omnibus Municipal Development and Tax Increment Financing District and Development Program, and (b) deauthorize the issuance of the general obligation bonds or notes in the amount of up to \$1,500,000 that was approved by the voters pursuant to Article 31 at the May 1, 2023 Town Meeting, as the ratification of the appropriation of TIF revenue for these projects eliminates the need for the borrowing authorized by Article 31 at the May 1, 2023 Town Meeting.
***Voted to accept the Article.**

Melissa declared the polls are closed.

Respectfully submitted,
Andrea D. Lowery,
Town Clerk

Article 1. Elementary/Middle School Project. Do you favor authorizing the Board of Trustees of Boothbay-Boothbay Harbor Community School District (the “District”) to construct and equip renovations and a middle-school addition at Boothbay Regional Elementary School (the “Project”) and to issue bonds or notes (the “Bonds”) in the name of the District for school construction and minor capital purposes **in an amount not to exceed \$29,975,000?**

Project Description. The Project includes a new maintenance building, which will improve health and safety at Boothbay Regional Elementary School and which will also provide space required to build the middle school addition and complete renovations without the added expense of renting multiple portable classrooms.

Project Donations: The estimated total project cost is \$31,975,000. The District has already received approximately \$2,000,000 in donations that has been applied and reduces the amount of the Bonds to be issued for the Project. Receipt of additional donations for the Project cannot be assured, but the District continues to engage in Fundraising and will apply new Project donations as follows:

Cash Donations before Bond Sale: The District will use unrestricted cash donations to reduce the principal amount of the Bonds to be issued for the Project.

Pledges and Cash Donations received after the Bond Sale: The District will incur construction costs sooner than pledges may be fulfilled, so the District will need to issue Bonds to pay those costs. The District will apply fulfilled pledge amounts, as well as other donations that may be received after the issuance of the Bonds, to prepay the Bonds issued in anticipation of these donations or to make future debt service payments on the Bonds.

Special Town Meeting

October 23, 2024

Pursuant to the foregoing warrant the inhabitants of the Town of Boothbay met at the Town Office, located at 7 Corey Lane in the Town of Boothbay and gave their voice as follows:

Article 1. To choose a Moderator to preside at said meeting. Melissa Balducci was elected Moderator and duly sworn in by the Town Clerk in open meeting. The Clerk declares the polls are open.

Article 2. To see if the Town will vote to appropriate up to \$297,800.00 of Coronavirus State and Local Fiscal Recovery Funds (a/k/a American Rescue Plan Act or “ARPA” funds) received by the town from the federal government for qualified projects, as authorized by the Select Board to match grant funding available for the Lincoln County PEMM2 broadband project; provided, however, that the Select Board shall conduct a public hearing on the proposed expenditure of ARPA funds prior to the expenditure of the same; and to authorize the Select Board to accept and appropriate grant funds and enter into any agreements in connection with the receipt of grant funds for the foregoing project.

***Voted to accept the Article.**

The Moderator, Melissa Balducci declared the polls are closed.

Respectfully submitted,
Andrea D. Lowery,
