An Army Corps Permit is required for working floats, rental and service moorings.

Mooring will be installed by: _____ Phone # _____
Date to be installed: _____
Do you currently have a mooring? Yes _____ No _____ How Many? _____

This permit is non-transferable and is to only be used for the boat length listed above. An application must be completed for each mooring request. Location of mooring is subject to change at any time, and at discretion of the Harbor Master – Deputy Harbor Master. Mooring permit holder is responsible to set mooring and make adjustments as required for safety of all boats. Mooring must be maintained in safe condition by owner and must be sufficient size to hold vessel length for which it is permitted. Permit holder must affix Mooring Permit Number to mooring in at least 3 inch letters of contrasting color for identification. If mooring is already in place, the Harbor Master – Deputy Harbor Master may go to location with the owner to identify, approve, disapprove or reassign location. Mooring determined to be inadequate or unsafe shall be corrected by owner within 48 hours or removed. Any cost of examination or removal resulting thereof shall be borne by the owner of the mooring. If a new mooring, the Harbor Master – Deputy Harbor Master will inspect and oversee placement of mooring. The Town Clerk will issue a new mooring permit number under direction of the Harbor Master. Clerk's office hours are Monday – Friday, 8:30 a.m. – 4:30 p.m.

New Mooring Fees:

\$30.00 – Residents and property owners

\$60.00 – Non-residents, guest, rental or service moorings.

I have read and understand the Harbor Ordinance and all mooring regulations and acknowledge that the above information is complete and accurate.
