

The image shows the exterior of a fire station with white horizontal siding and a red brick chimney on the right. There are three windows with blue-tinted glass. A large red sign with white lettering and stars at each end reads "BOOTHBAY FIRE STATION". Above it, a blue banner with white lettering reads "RICHARD 'DICK' SPOFFORD". To the left of the banner is a circular air vent and a small black light fixture.

Dedication

Richard R. Spofford

This year's Annual Report is dedicated to Richard R. Spofford. Dick has been with the Boothbay Fire Department for over 40 years, and for the past 22 years he has served as Fire Chief. He retired from his service of Fire Chief on June 30, 2023, but will continue to be an active member of the Fire Department, will remain Forestry Warden for the Town of Boothbay, and will continue his role in the Junior Firefighter Program.

He is known and loved for his kindness and patience. Dick, over his many years of service, has made a big impact on the Fire Department. He established written mutual aid agreements with neighboring fire departments, developed pre-plans for high risk locations, and has been successful in obtaining numerous grants to enhance safety and operations. He has always thought of our youngest residents and participates in the Annual Fire Prevention Week School Program and the YMCA Camp Fire Prevention Show and Tell. He implemented the Junior Firefighter Program that has been a great success and has brought many younger members to the department. A great way for High School students to get involved in the community.

We want to say thank you for your continued service to the Town of Boothbay. We appreciate you.

The past year was relatively quiet municipally, with progress starting on workforce housing on Butler Road and additions to Clifford Park to further the experience for area youth, a change in leadership after a long and extremely successful tenure for Chief Richard Spofford who handed the reigns over to the very capable Chief David Pratt, and a large turnout for the school repair budget request.

Then 2024 ushered in two storms, the likes of which the town hadn't seen since 1978; the damage in East Boothbay particularly was devastating, boulders were washed ashore, pavement displaced over lawns and various properties; it was a show of how powerful Mother Nature can be. In this moment, the town got a snapshot of what a capable group they have in the Public Works Department. After swift decisions were made by the Selectboard, Mike Alley, Tony Goode, Sam Barter, Roman Petersen, and Anthony Wooster went to work getting the roads safe and passable; within days the work was started and residents could safely get where they needed to go. This work is still in process as I write this, but municipally we are hopeful to have things back to normal before our seasonal residents arrive.

As always I would like to thank the town staff, boards and committees, and all of the volunteers that keep things running for all of our residents.

Business Office Report

The Town Clerk is in charge of maintaining the town's vital records. The office of the clerk runs all State and municipal elections. We license dogs, issue birth and death certificates, and marriage licenses. The business office also collects all tax payments, mooring and permit fees and registers vehicles.

Certified copies of Vitals (births, deaths, marriages) must be applied for with proof of ID. Applications can be found on our website www.townofboothbay.org. Please allow a 24-hour turnaround. Fees are \$15.00 for the first one and \$6.00 for each additional one done at the same time.

There were **18 births** recorded in Boothbay for 2023; 4 females and 14 males born to Boothbay residents. Congratulations to all the families with new babies.

There were **39 deaths** recorded for 2023. There were 15 females and 24 males. The youngest was under 35 years old, and the oldest was 95 years old.

We issued **24 marriage licenses** during 2023, **47 marriages** took place in Boothbay. There were 11 Boothbay resident couples, and 36 non-resident couples. The happy couples came from California, New York, Texas, Washington and China to get married in our beautiful town.

To apply for a marriage license you will need to make an appointment for both of you to come in to our office together with picture identifications. Allow an hour for the process. If married before, you must show *original* divorce papers or a spousal death certificate. You will complete a marriage intentions form, and sign it in the presence of the clerk or deputy. The fee is \$40.00.

Boothbay residents licensed a total of **294 dogs** during calendar year 2023. Dog license fees remain at \$11 per dog, or \$6 for spayed/neutered dogs. When licensing at our office, please bring in a current rabies certificate. A spaying or neutering certificate will be required if it is a first time license. If you would prefer to do it online, please see the website below. For any animal control issues you need to contact Lincoln County Communications.

Since June 2023 we have issued a total of **16 commercial shellfish licenses**, and **36 recreational licenses**. Our shellfish warden is Nicholas Upham. The Town of Boothbay Harbor is the host town for the Shellfish Ordinance once again.

For **vehicle renewals**, please bring your old registration, current *accurate* mileage and proof of insurance. If you would prefer to do it online, please see the website below. **First time registrations** require additional paperwork and cannot be done after 4:00 p.m. or online. All vehicles 1999 or newer require a title.

For **tax payments**, please bring in the stub from your tax bill. Tax bills go out in July, with the first ½ due in August and the second ½ due in February. We *do not* send a second notice.

For MOSES transactions, please bring in last year's registration or the "ME" number from your **boat, ATV or snowmobile** or last year's license or MOSES number for **Hunting or Fishing licenses**.

Online services you may access are:

During 2023 we had the following **meetings and elections**:

May 1, 2023 Annual Town Meeting

November 7, 2023 Referendum Election

November 7, 2023 Boothbay-Boothbay Harbor Community School District Referendum

2023 was my sixth year working for the Town of Boothbay. The years just continue to fly by.

We had three elections in 2023, in November we doubled up with the State Referendum Election and the Boothbay - Boothbay Harbor Community School District Referendum. It brought in a record number of people and thankfully everyone handled their time waiting in line very patiently. I once again want to thank our Public Works crew for all they do to help us prepare for the elections and of course for all they do to keep our town in good shape. We appreciate you! Thank you Tracey, Nicole, our Town Manager and Selectmen for all of your support through the years and for all you do. Thank you to my election workers who are always ready to work when needed. Most of all I need to thank our residents and non-residents for your kindness and patience. I hope you all have a happy and healthy 2024!

Andrea D. Lowery,
Town Clerk

Public Works

Anthony (Tony) Goode, Samuel Barter, Andy Wooster, Roman Petersen and Road Foreman Michael S. Alley

Like other winters in recent history the winter of '22/'23 was fairly easy. The usual spring duties were completed between rain storms moving us to gravel road maintenance, ditching, culvert replacement and paving prep. Throughout the summer we prepared Pension Ridge Road for paving between Hardwick Road and Back Narrows Road. Paving and shoulder work was completed in the fall, giving us time to prepare for winter. We also made time in between jobs to clean up and make improvements in some of our most enjoyed parks and launch facilities. During this time we received a generous donation of two Walker zero-turn mowers making the maintenance of our beautiful playground/ballfield and Common much easier.

Thank you to the people in the community for their kind words, the Town Manager and Selectmen for their support and especially my crew for their hard work and dedication.

Respectfully,
Mike Alley,
Public Works Foreman/ Director

Sewer District Report

I am delighted to offer this report on behalf of the Boothbay Harbor Sewer District. 2023 was a year of transition for the Sewer District, as long-time Superintendent Chris Higgins retired after 28 years of dedicated and exemplary service. Incoming Superintendent Nick DeGemmis joined the team in July of 2023 and utilized the transitional period to learn as much as he could from Chris in the time allotted pertaining to facility and collection system operations and District Rules and Regulations.

David Pratt was promoted to District Foreman and has excelled in his new role. He will continue to direct collection system and pump station operations and advise and support the new Superintendent. Adam Macy earned his Grade II Biological Treatment System Operators License and continues to advance his knowledge of wastewater treatment operations, laboratory analyses for process control and permit compliance, and collection systems operations.

The Wastewater Treatment Plant Facility Plan was finalized in December of 2023 and from this evaluation, a 20-year capital improvement plan was developed with recommended improvements related to process and systems upgrades. The current Wastewater Treatment Facility was first operational in 1963 and a major upgrade was completed in 1994, but no major upgrades have occurred since 1994. District staff have self-performed equipment and system upgrades, replacement and rehabilitation as needed over the last 30 years but improvements for process and systems upgrades will be needed to comply with permit requirements, replace aging, inoperable, and inefficient equipment, and to identify potential foreseeable changes in state regulations that may require additional unit processes for nutrient removal.

Accomplishments and items of note for 2023 include:

- Installation of new electrical equipment from the control panels to the wet well at PS 13 and 15.
- Completion of Phase B rehabilitation of the westside manholes.
- The District continued to plan and prepare for the construction of a sea wall at the WWTF to protect the facility from the impacts of rising sea levels and climate change, utilizing a \$200,000 grant from Lincoln County to pay for engineering. The District was unsuccessful in procuring Congressionally Directed Spending funding but will continue to pursue grant opportunities in 2024.
- Gently used sewer Jetter purchased to allow continued industry-leading collection system cleaning and preventative maintenance.

As noted in the 2022 Annual Report, Polyfluoroalkyl substances (PFAS), commonly referred to as “forever chemicals”, continue to present financial headwinds for solids disposal. While the District does not use or create any of these chemicals, they accumulate in the biosolids removed during the wastewater treatment process. L.D. 1911, “An Act To Prohibit the Contamination of Clean Soils with So-called Forever Chemicals” has presented challenges for disposal of the biosolids and significantly increased the cost for the Sewer District for disposal at the Juniper Ridge Landfill with the imposition of a surcharge directly related to LD 1911.

The Trustees continue to lead the Sewer District through their strong work ethic, professionalism, leadership style, and fiscal responsibility. Because of this leadership, the financial position of the district remains strong despite rising costs and the inflationary pressures of the current economic climate.

The Boothbay Harbor Sewer District team will endeavor to continue serving the residents of the region through dedication and commitment to environmental protection and our customers, because the people and the harbor are the treasured resources of this magnificent place.

Lincoln County Sheriff

Greetings,

As I begin my twenty-second year I want to once again thank you for the opportunity to serve as the Lincoln County Sheriff. During my time in office I have been privileged to find myself surrounded by men and women working hard every day to provide the best possible public safety services for each of you.

During the past several years some of my toughest challenges have been staffing during a period when greater accountability and transparency have been expected, while the interest in those seeking a career in public safety seems to have diminished.

Despite these challenges, I have worked hard with our County Commissioners to develop policies and practices to attract and retain employees to Lincoln County. I did this while being the first Sheriff in Maine to begin a Citizens Advisory Board with a goal of improving our transparency and providing valuable insight and opinions as we work to improve policy during a law enforcement accreditation process.

I am happy to report that I expect that in early 2024 the staffing level at the Sheriff's Office will have reached a point that will allow us to be more proactive with the public safety we provide without adding any additional positions to the budget.

Planning has begun to put in place a Deputy to provide dedicated traffic enforcement in areas of high crash and complaints. Traffic complaints are one of the most common concerns I hear in the community. I hope by assigning a Deputy to this position we can improve traffic safety and better respond to the concerns I have been hearing for many years.

Additionally, I hope to assign another Deputy to a position of Community Resource Deputy. This Deputy's primary focus will be building relationships with those vulnerable populations in Lincoln County that are at high risk or often subject to crime. I anticipate that by building relationships with these vulnerable populations (elderly, children, mentally ill, substance use disorder, domestic violence etc.) the Deputy can begin working on strategies to reduce crime and make our County a safer place to live.

I look forward to serving you again in 2024 and once again want to thank you for the opportunity to serve as your Sheriff.

Please reach out at any time if you have issues or concerns you wish to discuss.

Respectfully submitted,
Todd B. Brackett,
Sheriff

Boothbay Fire Department

To the Board of Selectmen, Town Manager, and citizens of Boothbay, I hereby submit the 2023 Boothbay Fire Department Annual Report from January 1, 2023 to December 31, 2023. This year the Boothbay Fire Department responded to 232 calls which are summarized on the following page.

One grant from the Mildred McEvoy Foundation was received to update our current smoke ejection fan with a new battery powered one. In June, a new engine was added to our fleet and will be recognized as Boothbay Engine 2.

The transition of a new Fire Chief has been seamless and continues to go well. The department has added five new members. These members are currently enrolled in a Basic Firefighter Class that will be completed in May of 2024. An additional two members have completed their Pro Board Certification of Firefighter I and II this year. This will make a total of seven additional interior firefighters for our department.

I would like to thank the members and officers of the Boothbay Fire Department for their commitment to serving the community and responding to calls for the town of Boothbay.

Respectfully submitted,
David Pratt,
Boothbay Fire Chief

Harbormaster

The summer of 2023 will be remembered as the summer that never was. Tough weather all season and there were only three good weekends weather-wise. Many people left their boats on land.

The On-Line Mooring Data Base continues to be a great asset for the Town. The system has been updated by the provider and it is even more user-friendly. We are now in the ninth year with the On-Line system and it only gets better. I would like to thank all the mooring owners who pay on-line. When paying your mooring fees, please update your inspection information and email. Remember: mooring fees are due AUGUST 15th every year. If you have email, I will send a reminder, but either way it is the mooring owner's responsibility. The date doesn't change. No exceptions.

The identification of work floats and their owners will continue to be a major focal point in 2024. If you have a work float please make sure you have the required Army Corps of Engineers permit and that your mooring number is on your float and mooring. Please reduce the risk to other boaters by maintaining your work floats. Make sure the floats are secured properly. Old gear that is no longer serviceable should be disposed of properly not left to be washed off the work float in a storm.

Phone calls and e-mails were typical in nature. Skiffs, dinghys and kayaks missing or adrift top the list. I have stickers at the Town Office for identifying your small craft from the Coast Guard Auxiliary. They have room for your name and contact information. Please come by and pick one up. Several calls were received about vessels tying up too long to the docks at Shipbuilder's Park and Knickerbocker Bridge Launch Area or gear left for over forty-eight hours. Owners were contacted. I also conducted several wharf and weir hearings for the town.

There are currently 961 registered moorings in the Town of Boothbay:

Location	Total
Barter's Island	133
Sawyer's and Hodgdon Islands	96
Card Cove, Grimes Cove-Ocean Point	78
Cross River and Rocky Point	49
Damariscotta River	219
Linekin Bay	280
Little River	101
Outer Islands	15

Due to the damage and destruction caused by the back-to-back winter storms in January, boaters will need to use caution when boating during the summer of 2024. There were numerous docks and piers destroyed in those storms. Parts and pieces will be floating for a long time. Please be especially cautious at night.

The Port Committee meets on the first Thursday of the month as needed at the Town Office. I would like to thank Chuck Fuller, Larry Knapp, Win Russell, Rusty Court and Barry Gibson for always being available. No meetings in 2023. I am planning some for fall of 2024.

The Town of Boothbay has two Deputy Harbor Masters. The west is covered by Bradley Simmons: Linekin Bay, Ocean Point, Grimes Cove, Little River, Damariscotta River and the Outer Islands. The east is covered by Michael Leighton: Barter's Island, Cross River, Rocky Point, Sawyer's Island and Hodgdon Island. I would like to thank them both for all their time and efforts.

Boothbay-Boothbay Harbor Cemetery District

The District had a busy year dealing with trees and debris across our eleven municipal cemeteries after several large storms. In addition to regular maintenance of mowing and trimming, we remediated a large area of grub infestation at Evergreen, Wylie and OceanView. For 2024, we plan to continue the phased expansion at Evergreen and the fence extension at Oak Lawn. We were able to transfer investments into a new annuity garnering a significantly higher rate of return for the District's taxpayers which is reflected in our interest income line.

Isabelle Lewis stepped down as Secretary/Treasurer after over sixteen years of service. We thank her for her dedication and meticulous handling of our administrative matters.

Boothbay Region Ambulance Service (BRAS)

We have some great updates for you from 2023!

After our Capital Campaign closed, we are happy to announce that we met, and exceeded the match generously donated by Paul and Giselaïne Coulombe! It was a great campaign and we are graciously thankful to everyone who donated!

We have also received two donations from the Schacknow Family Foundation. The first has funded 6 new intravenous infusion pumps that will replace the aging ones that we have, along with updating the technology within the pumps. These pumps are a vital piece of equipment that is needed when caring for acutely ill patients during transport. The second donation has funded 14 brand new AED's that will be an integral part of a new program that BRAS has embarked on called PulsePoint Respond. This is an app-based program that alerts designated and trained people in the area of a cardiac arrest event. These designated individuals will have an AED with them on a full-time basis and will respond with their AED to initiate CPR and use of the AED if needed prior to EMS arrival. In cases like this, time is of the essence, and every second counts. We are working with the State and are almost ready to launch this program and make history as THE VERY FIRST EMS AGENCY IN MAINE TO DO SO!!

All EMS agencies in Maine continue to compete for staffing due to a statewide shortage of certified personnel. B.R.A.S. continues our attempt to stay competitive during these times by having competitive salaries and increased benefit packages. This issue has generated tough financial situations for most agencies including B.R.A.S. Through salary increases and added benefits, we are happy to share that our retention rate has increased. We have worked hard to provide a stellar work environment, updated equipment, along with comparable wages and benefits to keep the great staff that we have. Along with retention, we have added to our full/part time staffing to keep up with the ever increasing need for emergency medical care.

We are happy to announce that B.R.A.S. has ordered a new ambulance to replace part of our aging fleet. Unfortunately, due to manufacturing backlogs and supply chain issues, we will not take delivery of that ambulance until 2025. This is not a problem specific to B.R.A.S., it is a nationwide and ongoing hurdle for all EMS agencies. We continue to hope for a resolution to come soon.

Our Community CPR program has been in full swing with high attendance. This is a free program to community members that we host here at our station. The more people that we can train in CPR, the safer the community is.

B.R.A.S. has brought on a new Medical Director. Dr. Nick Walter has joined us as our EMS Medical Director and he is also the EMS Liaison for Miles Hospital Emergency Room. After interviewing and vetting several candidates, we are more than confident that we have selected the best Medical Director to join us! Dr. Walter is a Board-Certified Emergency Physician who started his career in EMS, so he truly understands the inner workings of our industry. Dr. Walter is very involved with our training, Quality Assurance, and is playing an integral part in the PulsePoint Respond program. Dr. Walter has been received very well by our staff, as he has become a mentor to them through training and in person call critique at the emergency room when the crews bring a patient in.

Boothbay Harbor Memorial Library

Boothbay Harbor Memorial Library welcomed record attendance to our free community programs in 2023. **After school clubs** filled up quickly, and **“Girls Who Code”** continued in its second year. In the fall, we welcomed the **BRES Pre-K** for their own monthly storytime; the library also had Kimmy’s Kids & Little Critters daycares for **special toddler storytimes**. Two new **family-centered programs** were launched in response to community feedback: a monthly **Homeschool Connection** for homeschool families to socialize, gather, and share ideas; and a **Grandparents Group** (childcare provided) for grandparents who are primary caregivers of their grandchildren to meet, talk, and learn from each other.

This year we collaborated with the **Towns of Boothbay Harbor and Boothbay** to offer (what we hope to be) the first annual **“Touch-A-Truck”** program, where **138 participants of all ages** got to explore the ins and outs of the big trucks that power our communities, like fire engines, police cars, dump trucks, plows, and even the Chamber’s Trolley. Thanks to staff, program volunteers, and a focus on community collaboration, the library’s **program attendance increased to over 5,100 (up 66% from last year!)**

Target Age Served	Number of Programs	Attendance
Children 0-5	72	881
Children 6-11	106	1,162
YA 12-18	30	123
Adults	102	784
All Ages	74	2,225
TOTAL	384	5,175

During our summertime work to support student learning and promote the joy of reading we issued **119 Summer Reading Passports**. Young readers wrote **158 book reviews**, logged **316 library visits**, completed **740 challenges**, and logged **1,040 hours** of reading! Reading incentives are provided by sponsors and champions of literacy: Bay Bowls, Coastal Maine Popcorn Co., Dolphin Mini Golf, Downeast Candies, Downeast Ice Cream Factory, Harbor Theater, Mister Smooth, Orne’s Candy Store, Seaside Lodge #144, The Ice Cream Hut, The Smiling Cow, Windward Sales Group, Boothbay House of Pizza.

Alongside the free, year round programs, we’re of course still dishing out books, thousands of them! **Book circulation (real books) increased to 29,768**, (up from 27,509 in 2022; 23,777 in 2021; and 13,101 in 2020); and another **6,725 items** were borrowed digitally. **3,796 wireless sessions** were logged, **public computer usage doubled to 632**, and over **33,000 people visited** the library.

Boothbay Harbor Region Chamber of Commerce

The 2022-2023 Board: Jason Denby, Julie Roberts, Alyssa Allen, Michaela Bitterman, Charlie Bamberg, Joanna Breen, Tricia Campbell, Angelo DiGiulian, Clint Miller, Jaymes Shive, Abby Fessenden, Angela “Gigi” Frost, and Sarah Winchenbach. Julie Roberts served as Board President, Alyssa Allen, as Vice President, Secretary Jason Denby, and Angelo DiGiulian as the new Treasurer for 2023/2024. Cindy Mastrella is serving as Member Services Coordinator; Ilene Vactor is the Guest Services Coordinator; Kjirsten Flores is the Marketing Coordinator. Lisa Walby serves as the Chamber’s Administrative Director. The Chamber also benefits from many generous volunteers.

2023 showcased our sold-out events: the 10th Annual Claw Down Lobster Bite Competition, and Fishin’ for Fashion Show, held at The Shipyard in Boothbay Harbor. Both events not only celebrated the richness of our coastal resources but also promoted sustainable and responsible fishing practices. The Windjammer Days Street Parade was also organized by the Chamber of Commerce, with a record number of entries and despite the threat of showers, continued the tradition to the great enjoyment of gathered crowds.

The Chamber’s social media presence was expanded this year, with a focus on sharing local business info, and glimpses into the scenes of everyday life in the region with photos and video. One post about putting up the pot buoy tree surpassed 159,000 views! Our Popular Monthly Newsletter went out to 8,500 subscribers, showcasing all the reasons why this is a wonderful place to play, shop, dine, stay, and live. *BoothbayHarbor.com* was maintained with updated business listings, events, and job postings. It remains the #1 Google search result for the area and an excellent resource for visitors and residents.

Our Business After-Hour events provided a platform for our local entrepreneurs and organizations to connect, share insights, and collaborate. The series facilitated the growth of our local economy and reinforced the sense of community among business owners.

The Antique Trolley continued to be free to ride for residents and visitors alike. Thanks to the generous sponsorship of area businesses, we not only helped to preserve a piece of our town’s history but also contributed to the region’s vitality. We aim to make our downtown area more accessible and to encourage the use of public transportation, fostering a sense of community and reducing the environmental impact of individual car travel. We upgraded the tires, brakes, and windshield in 2023.

Our Boothbay Harbor Region Guide remained a hot commodity at visitor centers throughout New England. We distributed 25,000 through the Maine Office of Tourism, Maine Tourism Association, and Canada and individual office requests reaching all over the USA and UK. Even for longtime residents, the guide is a useful tool! In collaboration with Betty Maddocks, Boater Bags were distributed downtown with our Region Guide included, to the nautical travelers to our harbor.

November and December were times to focus on fostering a sense of community, helping local businesses join in the celebration, to creating a warm and welcoming ambiance for holiday shoppers. We are especially grateful to the generous sponsors of our Boothbay Lights season. We were thrilled with the turnout and energy surrounding events like raising the Pot Buoy Tree, The Lighted Fire Truck Parade (featuring the Lewiston Police Chief), Santa & Friends, and an astounding 17 boats in the Lighted Boat Parade!

As we reflect on the past year, the Boothbay Harbor Region Chamber of Commerce remains committed to fostering a thriving, connected, and resilient community. With exciting plans for the future, including expanded events and increased support for local businesses, the Chamber is proud to be a driving force behind the tourism and business success of the region.

Emergency Management

Well, it seems another year has flown by. This year's weather has been unusual, much like the last few years. The entire mid-coast region experienced a wetter than normal summer. It ranked #2 of the wettest years in Portland. September saw Hurricane Lee cause power outages and trees down for most of Maine and Tropical storm Phillipe's effects were felt in October. December brought us the "Grinch Storm" the coast was spared but inland Maine lost power with strong winds and heavy rains. Damages in 5 counties were enough for a Presidential declaration bringing federal funds to the area.

The start of 2024 was no different and this time the coast and in particular Boothbay, Southport, and Boothbay Harbor were hit hard. The storm came with historic tides and millions of dollars of damage. FEMA sent pre-declaration teams to our towns to put together a case for federal monies to help towns put things back to pre-storm conditions. As of this writing, we are just waiting for the president to sign our declaration. The first responders, neighbors, and especially the employees of the public works departments worked tirelessly with contractors to get roadways back to a passable condition. This allowed people to feel safe knowing that police, fire, and ambulance providers could continue to provide service to all of our communities. A big thank you to everyone who assisted in this all-hands event.

If you are interested in climate change and how it is affecting our peninsula check out the new Boothbay Region Climate Action Team (BRCAT). For more information contact BRCAT at BRclimate@gmail.com or find us on Facebook at *Sunriseecologic*.

Boothbay Region Historical Society

During 2023, the funds voted by townspeople helped us to fulfill our purpose of preserving and increasing knowledge about our region's past.

We maintained regular year-round hours at the museum in Boothbay Harbor from 10 a.m. to 2 p.m. on Thursdays through Saturdays. We sent out two newsletters, monthly e-newsletters, and frequent postings on our active Facebook page. Utilizing Zoom, we hosted four speakers, and provided videos of these programs. We held four successful fundraising events this year. In addition to our annual July bake sale and October cheese sale, we are grateful to the Harbor Theater for partnering with us to present an entertaining fundraising program featuring well-known photographers Bob Krist and Ben Williamson. We continued our Boothbay Region High School Scholarship of \$1,000 for a high school senior and this spring 2023 were able to provide a second scholarship. Our criteria are academic excellence and financial need. Through generous fundraising, we are pre-funding for 2024. We provided news items and articles on local history to the townspeople and others through the *Boothbay Register*. We are an active research facility, assisting people locally in their search for information on family, houses, vessels, and places. We also answer correspondence from people all over the country and abroad who have an interest in Boothbay region history, and when asked we help the town offices, local organizations, and businesses with research.

Two exhibits, "Captains and Vessels, 1800-1921" and "Celebrating the Schooner Bowdoin," were made possible by many volunteers who donate hours of their time to organize events, prepare exhibits, document new collections and artifacts, man the building, help maintain the property and organize other activities.

Our scanning project, which aims to digitally preserve images of the majority of the society's holdings, has made amazing progress scanning over 10,000 photos and the contents of hundreds of History and Family files. Beyond preservation, the goal of this project is to make these records accessible to the public through a dedicated in-house public computer and eventually on our website. This is being accomplished by dedicated volunteers who diligently review and scan photos and documents.

The sources of our income this year were from donations by individuals and the towns, grants, membership dues, and sales of books, maps, papers, and photographs.

We continue to receive important donations to our collections and maintain a public museum and research center in the historic 1874 Elizabeth Reed House in Boothbay Harbor.

We thank the townspeople for their willingness to contribute to the preservation of local history.

We have worked really hard to keep our budget down without affecting services that you expect. Costs all around are up, we are no exception. Disposal rates are ever increasing. We were able to pre-buy fuel for our trucks along with the town of Boothbay, significantly reducing trucking cost.

We will always look for ways to better serve you!

Boothbay Region Water District

2023 was a good year for the Boothbay Region Water District (i.e., *the district*), with the completion of several long-needed projects completed and a true return to normalcy post-COVID. Additionally, ever more intrusive, regulatory authorities both in Maine and on the federal level, began an onslaught of unprecedented rule and lawmaking of which the district spent significant resources in attempting to influence these barriers to operation and develop strategies for compliance. In short, 2023 was an eventful year.

During 2023 the district met all state and federal requirements regarding the treatment and delivery of the region's water supply. Equally the district was able to meet its capital maintenance goals, improving overall district operations. Capital improvement projects, efforts and accomplishments were as follows:

- Perform superior system maintenance resulting in "unaccounted for" water loss rate 9.8%, among the best in Maine.
- Completed an 11,000-foot-high density polyethylene (HDPE) in the *East Side Road Water Main Looping Project* improving overall water service on Barters Island.
- Continued construction on the \$4.4 million *Rte. 96 Looping Project*, a project designed to connect East Boothbay to Boothbay Harbor, greatly enhancing fire flow to all towns, with 60% of the cost of the project already secured as grants.
- Secured \$2,631,000.00 grant/loan funding to design and bid the *Filter Wastewater Recycling Project* which will allow the district to remove between 20MG from its sewer discharge annually and recycle that water into drinking water.
- Secured \$3,800,000.00 in congressional discretionary spending to combat seas level rise in Southport.
- Purchased a vacuum trailer to help the district dig all existing water services to comply with federal lead & copper regulations.

- Continue to pursue grant funding for that are in-process.
- Completed three small seasonal water main extensions equaling 2,000 feet of new water main; and
- Added 41 new customers.

In May, the voters of Boothbay re-elected Clerk, Kevin Anthony and Boothbay Harbor re-elected David Tibbetts, both for a third term. In March, Southport re-elected Vice-Chairman, Smith Climo for his fourth term. The remaining board members included Chairman, Gerald “Gerry” Gamage (Southport), Treasurer Nell Tharpe (At-Large) Merritt Blakeslee (Boothbay Harbor), and Rep. Holly Stover (Boothbay).

Looking ahead to 2024, efforts include:

- Continue to go all out in applying for available grant funding in this unprecedented era of incredible federal funding opportunities.
- Begin the *Wastewater Recycling Project* at the Adams Pond Treatment Plant Complex.
- Work other project is currently in the pipeline to completion.
- Continued emphasis on leak detection, equipment maintenance and unequalled performance through unmatched training and emphasis on the districts positive work culture.

The Boothbay Region Water District, Board of Trustees meet the 2nd & 4th Tuesday of every month at 6:00 p.m. during daylight savings time and 7:00 p.m. during standard time at the district administrative office located at 184 Adams Pond Road, Boothbay Maine. The board of trustees values the publics’ opinion and encourages the public to attend. For further information concerning projects, minutes and other pertinent information concerning the operation of the district, the public is invited to access the district’s web page at www.bbrwd.org.

Governor

Dear Maine Resident:

In January, I was privileged to take the Oath of Office to begin my second term as your Governor. I am deeply humbled by the trust the people of Maine have placed in me, and I look forward to continuing to work hard over the next four years to improve the lives and livelihoods of Maine people.

Over the past four years, we have made real progress. We have expanded health care, leading to the largest decline in the uninsured rate of any state in the nation. We fully funded the State's share of public education. We delivered two-years of free community college. We fully restored municipal revenue sharing to five percent. We delivered substantial tax relief, nation-leading inflation relief, and emergency energy relief to help Maine people through difficult times.

Through the Maine Jobs & Recovery Plan, we are strengthening and diversifying our economy. In 2022, our state's gross domestic product – a key measure of economic growth – grew at the 9th fastest rate in the United States. People are moving to Maine at a rate higher than any other New England state, and at one of the highest rates in the nation. We have enacted balanced budgets, and we have built up Maine's "Rainy Day" fund to a record high, preparing our state to continue meeting its commitments in the event of an economic downturn.

While I am proud of the progress we have made, there is more to do, like addressing the housing crisis, the workforce shortage, and the opioid epidemic and strengthening health care, education, and the economy. I know that by working together to tackle these issues head-on, we can improve the lives and livelihoods of Maine people and make Maine the best place to live, work, and raise a family.

Thank you again for the honor to serve you as Governor.

Thank you,
Janet T. Mills,
Governor

State Senator

Dear Friends and Neighbors,

I would like to thank you for the opportunity to serve as your State Senator. It has been an honor to be able to work for friends and neighbors, and I'm proud to represent our strong communities in Augusta.

During the 2023 session, I dove into the legislative process headfirst and fought for change. I learned a lot, made good connections on both sides of the aisle, and managed to pass significant bills; from the expedition of health insurance referrals to patients in Urgent Care facilities, to supporting affordable workforce housing in rural Maine, my job is to hear your concerns and raise your voices. I plan to do the same this next legislative session.

Our district means a lot to me. This is where I grew up, and where I have chosen to raise my own family. I have spent my career as an educator and community advocate, working at local, school, district, and state-wide levels to solve problems, support equitable policies, and advocate for children and families. I look forward to continuing to put these skills to work for you.

Please remember that I am a resource for you all year. If you need help contacting a state agency or just want to share a comment or concern, please don't hesitate to reach out. You can email me at *Cameron.Reny@legislature.maine.gov* or call my legislative office at (207) 287-1515. You can also just stop me and say "hi" if you see me at a community event or in the grocery store. Life isn't easy, but it seems harder than usual right now. We all need help sometimes, please don't be afraid to ask.

Sincerely,
Cameron Reny,
State Senator, District 13

State Representative

Dear Neighbors:

It continues to be an honor to serve you in the Maine House of Representatives. When you elected me to the State House, I promised to work to address our state's most pressing challenges head on – and that's exactly what we did in 2023.

We passed legislation that will make transformational investments to improve the lives of Maine people, make it easier for more folks to make ends meet and help create communities where all Mainers can thrive, including right here in Boothbay.

The Legislature invested in the well-being of Maine workers and families by establishing a comprehensive paid family and medical leave program, increasing funding for Pre-K and child care support and taking significant steps to address Maine's shortage of affordable and available housing, which is affecting our entire state. Additionally, several bills that I sponsored are now law, including legislation I worked on with Mothers Against Drunk Driving that requires the courts to consider restitution to support a child whose parents are killed during the commission of a crime. My hope is that this change will make drivers think twice before they get behind the wheel of a car when they are impaired.

As of this writing, we are well into the second regular session of the 131st Legislature. Over the next month and a half, we will vote on hundreds of bills before we adjourn, which will likely be in mid-April. Once again, I am proud to serve as House chair of the Joint Standing Committee on State and Local Government, where we will continue to work on legislation relating to municipal, county and regional government systems, state agencies, memorials and more. I will also continue to serve on the newly formed Housing Committee, where we work hard to enact policies that will alleviate Maine's current housing shortage and invest in housing production and preservation.

If there is anything I can do to be of assistance to you or your family, please feel welcome to reach out. I always enjoy connecting with constituents – whether you have concerns about local matters, questions about state programs or would like to discuss thoughts on legislation. I can be reached at Holly.Stover@legislature.maine.gov and (207) 633-5979.

Sincerely,
Holly Stover,
State Representative

U.S. Senator

Dear Friends,

Thank you for allowing me to add my congratulations and gratitude for the positive differences each town and city in Maine makes for its people and ultimately for Maine as a whole. When I travel around the state and visit the various regions in Maine, I see firsthand the differences you all make, the focus you put on excellence, and the helping hands you extend to neighbors. I have learned valuable lessons watching your collaborations with each other. They got the State motto right - *Dirigo* - because you all certainly do lead the way and exemplify the best of Maine.

First, it was a true honor to be appointed to the Senate Veterans Affairs Committee this year to help address the challenges facing Maine veterans. We owe our way of life to these brave men and women and share a collective responsibility as a grateful nation to give back to our veterans. That means delivering veterans the benefits they have earned, addressing the veterans' suicide crisis, improving transition-to-civilian-status programs, and ensuring every veteran can access essential services, like affordable housing and behavioral healthcare.

Next, one of the most significant infrastructure projects in Maine history is underway: affordable and universal broadband availability throughout the state. Supported through funding in the bipartisan infrastructure bill, we are now within striking distance of broadband service even in our most rural communities. Additionally, infrastructure improvements in our roads and bridges, water and septic upgrades for our towns and support for our workforce and employers are also in the pipeline. Serious steps are being taken to address the toll from substance abuse and to provide our older neighbors with resources to help them continue to stand strong throughout their golden years. It is my goal here to make sure everyone has access to stable employment opportunities and quality healthcare which is of critical importance to keep our families healthy and happy.

I am thankful for each town in Maine for their commitment to their communities, to their citizens, and to this country. I will do my part to listen to your concerns and work to find useful solutions to the issues you face. My offices throughout Maine remain available to you if you face hurdles with the federal government, whether it be veteran issues, social security problems, student loans, immigration, tax assistance and more. I hope you will reach out of my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow me the chance to be part of your solutions. Together, I know we can continue to build a stronger, brighter future for our great state.

Maine is known for our grit and resiliency and we are making great strides - something others across the country have noticed. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you - it is a pleasure to know you. Mary and I wish you a happy and safe 2024.

Best Regards,
Angus S. King, Jr.,
United States Senate

U.S. Senator **Washington, DC**

Dear Friends:

It is an honor to serve the people of Maine in the U.S. Senate, and I welcome this opportunity to share an update on issues important to Maine and America.

One of my priorities for 2023 has been to improve the appropriations process in Congress - the way it decides how to spend taxpayer money. I took over as the Vice Chair of the Senate Appropriations Committee last year. Along with Chair Patty Murray, we decided the best change we could make was not to do something new. Instead, it was to do something old - that is, go back to the regular and transparent committee process that we used to have.

Part of restoring this process included holding 50 public Committee hearings, which allowed for input from senators on both sides of the aisle. As a result, for the first time in five years, the Senate Appropriations Committee passed all twelve of its funding bills on time. This was done with strong bipartisan support. In fact, seven of them passed unanimously.

Now, we need to work with the House of Representatives to pass these twelve bills and turn them into laws.

These bills contain funding for a wide range of Maine priorities, including support for the workforce at Bath Iron Works and Portsmouth Naval Shipyard, our lobster industry, infrastructure improvements, affordable housing, biomedical research, veterans, and heating assistance programs like LIHEAP. These bills also contain nearly \$590 million in Congressionally Directed Spending for 231 projects throughout the State of Maine. These projects would help promote job creation, expand access to health care, and improve public safety, infrastructure, and important resources in communities across all 16 counties of our state. I will continue to work to get these bills signed into law in the new year.

On October 25, the horrific mass shooting in Lewiston claimed the lives of 18 Mainers and injured 13 others. In response, I led Maine's Congressional Delegation in requesting an independent investigation by the U.S. Army Inspector General into the events leading up to the shooting. On December 15, the Under Secretary of the Army wrote to inform me that such an investigation will take place, and the Army Inspector General has instructed her team to immediately begin preparing to conduct this investigation. While nothing can undo the events of October 25, I will continue to work to understand what happened and what could have been done differently, and to find answers for the victims, survivors, and their families.

No one works harder than the people of Maine, and this year I honored that work ethic when I cast my 8,855th consecutive roll call vote.

As we look ahead to 2024, I remain committed to addressing the concerns of Maine families and communities. If you need assistance or wish to share your thoughts, please do not hesitate to reach out to one of my six state offices.

Sincerely,
Susan M. Collins,
United States Senator

U.S. Representative

Dear Friends,

I hope this letter finds you well and in good health. It is my honor to serve the people of Maine's First District, and I'm pleased to share some ways that I can support you and your community this year.

I know that navigating many federal agencies and programs can be frustrating. One of my most important roles as a Member of Congress is to assist you if you're having trouble. My office can help to resolve challenges with a wide range of programs, including Social Security, veterans' benefits, passport renewals, and more. If you need help, please reach out to my Portland office at (207) 774-5019 or visit my website at pingree.house.gov/contact.

As you know, communities around Maine have experienced major damage as a result of winter storms and widespread flooding in recent months. These storms have underscored the importance of disaster preparation, particularly as we face the growing impact of climate change. I am working closely with Governor Mills and her administration to ensure that federal assistance is available for both short-term recovery needs and long-term resiliency planning. My staff and I are continually updating my website with new resources and stand ready to answer any questions you may have.

My office can also provide more information about the annual Community Project Funding (CPF) process. Each year, Congress enacts appropriations bills that provide the federal government with the funding it needs to operate. CPFs are a critical tool to directly support local governments and nonprofit organizations through federal appropriations. If you know of a project that might be a good fit, I encourage you to keep in touch as more details about the Fiscal Year 2025 funding process become available, as eligibility requirements and limitations can differ from year to year.

It is always a privilege to hear from you, so don't hesitate to reach out to my office any time that I can be helpful. Please rest assured that I do not take the responsibility of representing you lightly, and as we move into this new year, I will continue fighting for Mainers on the issues that impact us most. Thank you, and I hope to see you in Maine soon.

Sincerely,
Chellie Pingree,
Member of Congress

- Section 3. Pursuant to Chapter 206 of Title 30-A of the Maine Revised Statutes, as amended, the Town hereby designates the First Amendment to the District, described more particularly in the First Amendment to the Development Program presented to town meeting in the form attached hereto and such First Amendment to the Development Program is hereby incorporated by reference into this vote as the development program for the District.
- Section 4. Pursuant to the provisions of 30-A M.R.S.A. Section 5227, the percentage of captured assessed value to be retained in the District is established as set forth in the development program for the District.

Section 5226.
- Section 6. Section 7. The foregoing shall automatically become final and shall take full force and effect upon receipt by the Town of approval by the State of Maine Department of Economic and Community Development of the adoption of the First Amendment to the District and its Development Program, without requirement of further action by the Town, the Board of Selectmen or any other party.

YES: 329 NO: 137

Article 35. To see if the Town will vote to authorize the issuance of general obligation bonds or notes in an amount not to exceed \$1,500,000 in order to finance the costs of design, engineering, planning and construction of sewer and water infrastructure along Country Club Road and Butler Road, and related public street improvements, with the bonds to have such dates, maturities, denominations, interest rate(s) and other details (including provisions that the bonds may be subject to call for redemption with or without premium), as the Board of Selectmen shall determine, and to appropriate the same for said purpose (see Financial Statement); such authorization to be exercised only if Article 34 authorizing the First Amendment to the Boothbay Commercial Omnibus Municipal Development and Tax Increment Financing (TIF) District and Development Program is also passed at this Town Meeting.

Note: Total estimated debt service of this bond or note issue is \$2,430,000, of which principal is \$1,500,000 and estimated interest cost at a rate of up to 4.0% over a term of up to 30 years is up to \$930,000.

Note: Tax revenues from the Boothbay Commercial Omnibus Municipal Development Tax Increment Financing (TIF) District and Development Program are anticipated to be sufficient to pay in full the debt service on these bonds.

The Board of Selectmen recommends a “yes” vote.

FINANCIAL STATEMENT – TOWN OF BOOTHBAY

Financial Statement: The following financial statement applies to the question set forth above. The issuing of bonds by the Town of Boothbay is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Boothbay:

Principal amount of Bonds of the Town now Outstanding and Unpaid:	\$965,000
Interest to be paid on Outstanding Bonds:	\$299,267
Total Principal and Interest to be Repaid on Bonds Outstanding:	\$1,264,267
Additional Principal Amount of Bonds Authorized but not yet issued:	\$0
Total principal amount of new Bonds to be issued if approved by the Voters:	\$1,500,000
Estimated of potential new interest on such additional Bonds:	\$930,000
Estimated total of Principal and Interest to be Repaid on new Bonds if approved:	\$2,430,000

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' approval of the bonds may not be affected by any errors on the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity. If the actual amount of the total debt service for the bond issues varies from the estimate, the approval by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

RESULTS - TOWN OF BOOTHBAY

Boothbay – Boothbay Harbor Community School District Referendum Election November 7, 2023

Pursuant to the foregoing warrant the inhabitants of the Town of Boothbay met at the Town Office, located at 7 Corey Lane in the Town of Boothbay, between the hours of 8:00am and 8:00pm and gave their voice as follows:

Question 1 – Elementary School Project. Do you favor authorizing the Board of Trustees of Boothbay-Boothbay Harbor Community School District (the “District”) to issue bonds or notes in the name of the District for school construction purposes in an amount not to exceed \$28,800,000 to construct and equip renovations and a middle school addition and related facilities for Boothbay Region Elementary School, including a new maintenance building that will allow additional space in the school for elementary instruction and support (collectively, the “Project”), and to apply donations to Project costs as provided below?

Project Donations. The District has already received approximately \$2,000,000 in donations that have reduced the total Project cost. Receipt of new donations for the Project cannot be assured, but the District continues to engage in fundraising and will apply new Project donations as follows:

Cash Donations before Bond Sale: The District will use unrestricted cash donations to reduce the bonds it issues for the Project, and/or to pay Project costs if actual construction costs exceed budget estimates.

Pledges and Cash Donations after Bond Sale: The District will incur construction costs sooner than pledges may be fulfilled, so the District will need to issue bonds to pay those costs. The District will apply these fulfilled pledge amounts, as well as other donations that may be received after the bond sale, to prepay bonds issued in anticipation of these donations or for debt service payments.

YES: 717 NO: 759

Question 2 - High School Project (Comprehensive Project). If Question 1 is approved, do you also favor authorizing the Board of Trustees to include in the Project a new replacement high school building and facilities with auditorium, to issue bonds or notes in the name of the District in an amount not to exceed \$60,200,000 for that purpose, to apply the Question 1 bonds and these Question 2 bonds to both school projects, constructed together or in separate phases, and to apply the donations described in Question 1 to the comprehensive project?

YES: 436 NO: 1024

Andrea D. Lowery,
Town Clerk
